" A Few to Preserve the Best "

From the Prez.

January 31, 1997

I promise that I won't say that much . . . but how about them Packers !!!! With that said , I hope everyone had a great New Year. And yes, what a way to start off the year !

Well the first swap meet of the year has come and gone. That doesn't seem possible but it's true. Unfortunately, the turn out was not great. Probably because it was on the same day as the Packers / 49er's game. Oops , I said the " P " word again. We did however pass out some show fliers. I did talk with a number of people who are really looking forward to our show. I know I can't wait to get the car out of storage. But that's at least two and a half months away. One thing that is coming up in the near future is the swap meet at State Fair Park on February 16th. That is the same day as our bowling outing and we are looking for some volunteers to help man our club table at the swap meet. If you have some time that day and are willing to help man the table, please give Dick Doria a call at 414-761-2267. Dick will fill you in on the details. Please give us a hand and help out. Thanks. Speaking of upcoming events, it's not too early to sign up to help at our upcoming 15th Annual Ford Show. I will have a sign up sheet at the meeting starting in February. If you can't make the meeting and want to help , just give me a call and we'll find a place for you to help out. Thanks.

On another note , I received a phone call the other night from WEM club member Art Figge. Art works for Jack Griffin Ford in Waukesha selling used cars. He had an idea and is looking for some feedback. Art says that the dealership takes a lot of mid '80's cars in trade that never see the lot. They are normally high mileage cars that the dealership doesn't want to sell and they are sold at auction for very minimal prices. Art says that they get everything from Mustangs to T-Birds and lots more. He is willing to start a " Wish " list for members looking for good used cars at a low cost. Normally a \$ 100 over cost, as is. Sounds interesting !?! Anyone looking for a good project car ? You can reach Art at home at 414-327-3353. Give him a call if you are interested.

Well I have to run for now. I hope to see you at some upcoming club events soon. Take care and keep on Stangin !

FROM YOUR EDITOR

COMING EVENTS

There are two major club events taking place in the next month. The first is our annual club bowling party held February 16th at Oak Creek Classic Lanes. There were sign up coupons in the last two Feedbags. If you have not as yet signed up, and wish to participate, call Bob Zimmermann at 761-2007 to see if any opening still remain. For those that have already signed up please be at the bowling alley promptly at 12:30PM on Sunday.

The second major event is our club banquet. This year we will be trying something a bit different. We will have our dinner served buffet style. This will help defray the larger cost of a formal sit down dinner. Once again those of you that helped out on one of our '96 show committees will not be required to pay. This is the clubs way of saying thank you for a job well done. If you qualify for a free dinner you will receive a coupon in this newsletter indicating so. Please return the coupon along with the sign up form, also in the newsletter, to club headquarters A.S.A.P. A final headcount is required one week before the banquet.

THE WISCONSIN EARLY MUSTANGERS GOES WORLD WIDE

This sounds like quite a big jump but our club is finally keeping up with modern communications technology and is now on the World Wide Web. We decided to go on line with our club to help enhance membership as well as displaying all our functions with a larger audience. The classified ads that you have published in our monthly newsletter will now go on line and thousands will have access to them. We will also publish our monthly calendar as well as the fliers that get published in the newsletter. Scott Jentsh, who was responsible for getting our group on line, requests some pictures of our cars. Anyone sending in a picture will have it placed on our Web Site. This is a new field of endeavor for our club. Most of our members are not on line so I will update our group periodically as to the progress of this change. To access our page on the site type in <http://www.excpc.com/wemustangers>

HELP WANTED

It seems as if we have a conflict of dates that needs your help. The State Fair Swap meet and our annual bowling outing is scheduled for the same Sunday. There is still time in the morning to attend the swap and still make it to the bowling alley by 12:30 if you plan to attend both. We do, however, need coverage for our club table at the swap meet for the afternoon. If you plan to go to the swap but not the bowling outing maybe you could help man the club table and pass out show fliers. This swap meet has always provide a good source of coverage for passing out show fliers and we would hate to wrap things up too early. If you can help out here please give Scott Moen a jingle.

Until Next Month
Fraternally Yours
Bob Zimmermann

MINUTES FROM MEETING HELD JANUARY 27TH

- The meeting was called to order at 7:00PM by president Moen.
- The minutes from the November meeting were read by Doug Dorn.
- The treasurers report was given by Dick Doria.
- The W.E.M. received a letter from Ford thanking us for our donation of \$500 This donation will be used for the resurrection of the proposed Mustang museum. It will be put towards the building of this shrine. Our club will have our name permanently placed at the entrance of the building once it is constructed,
- Dick Doria will be purchasing decals to promote the club museum. They will be ready in time for the club show.
- Due to the fact the Waukesha swap meet was in competition with the Packers playoff game it was a bust. Our club, however, was able to have representation at the swap meet to pass out our show fliers..
- Scott Jentsch managed to get the Wisconsin Early Mustangers on line with the World Wide Web Site on the internet. The cost was \$99 to facilitate the necessary link.
- The club dinner has been planned. The date will be March 1st. Club members who helped out on one of the '96 show committees will not be charged. There will be a minimal fee for all others.
- Our show fliers were printed and brought to the meeting. Club members were asked to take a packet home and start promoting our '97 show. A few class changes were made from the '96 show.
- The annual bowling party is set To date 50 people have signed up. If you have not as yet signed up, and would like to attend, call Bob Zimmerman to verify a spot still exists. The number to call is (414) 761-2007
- The club is pursuing having a T shirt made in time for the show. The shirt will sport the 4 generations of the Mustang
- Scott had an embroidered sweatshirt at the meeting. This shirt has our 10th annual show emblem embroidered on the front. The cost will be \$45. Any interested parties should contact Scott..
