

Hi Ho Mustangers,

3/5/11

I am hoping spring is just around the corner and I can get the 68 out for it's first real drive after it has been completed. The weather today is saying something different as it is snowing. Thank God that it will not stay around long at this time of year. February, not really a car thing month, was a busy month starting with the pizza party on the 13th. 55 members were there and we all had a great time. It was great to see people that I have not seen since Door Co. The food was great as always and the company better. A big WEM thank You to Sue Miller for putting this together.

On February 26th we were invited downtown for the ADAM auto show as guests of Ford. 40 or so members were there to look at all the new ford products including the new BOSS mustang. We were also treated to coffee and sweet rolls and a pep talk from the Ford crew. There were 30 or so theme cars there like the Batmobile. Russ Owens had one of his cars on display there too. Thanks to Jeff Searing for getting this one going.

The Model A Swap was held on the 27th with what I thought was a smaller crowd. Dick brought the computer projector and a zip stick with a boat load of pictures of the show and Door Co. We had a lot of folks stop to take a look. We handed out flayers and talked to new folks as well as old members that stopped by to say hello.

On to the fun stuff of March like the club dinner. On the 27th, in the upper hall at the Pulaski Inn, we will hold the club dinner. Any one who worked the show can get a free dinner. All the details are in the newsletter. As we have done in the past, we will awarding The Member of the Year. Voting is closed so all of you will need to be at the dinner to be the first to find out who it is as I am not telling.

It is not to early to start looking for door prizes for the show. Any thing you collect can go to Vern and Debbie Snyder. They will help with a letter about the show and what we and the show are all about. They are also nice enough to store the stuff until the show. That is all for now, more next month.

Yours in Stangdom,

Tom

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

March 1, 2011

We had a great turn out for the Ford invitational to the Greater Milwaukee Auto Show. Our thanks to the folks at Ford for the way they include us in their marketing efforts. Plus, it saves our participating members a good buck on show admission. This year we had over 60 people in attendance.

The pizza party was also well attended on February 13th. It is always a nice break in the winter doldrums. Not to mention the great food at Mike & Angelo's in Racine.

We saw many of you at the February 27th Model A club swap meet. That group really puts on a nice event. Naturally, there is not a lot of Mustang pieces there. But, if you look hard enough there is a few. Our slide show presentation was, as usual, a good attention getter. We will refine the content as time goes on. The use of a thumb drive (memory stick) sure saved wear and tear on my laptop's CDR drive this year. I thought it was going to seize up after running 6 hours straight last year.

The April 16 (9:30 AM) seminar will be an introduction to OBD-2 diagnostics. With a little cooperation from the weather, we will have a short introduction to the hardware/software that we are using. Next, we will proceed to the garage to do an actual hands on base line diagnosis of an OBD-2 equipped vehicle. If interested in attending, please call (414 761-2267) or e-mail us at Rodknock@aol.com.

We are looking forward to seeing many of you at the March 27 club dinner. Remember, if you worked the show, admission is free. This year we will be in the upper hall due to a late running shower in the lower hall. (I hope they don't get too wet) Always look forward to the great food and fellowship.

The brunch run will be coming up May 1st. Information on that will probably be elsewhere in this newsletter. Hope to see you there.

Things are progressing for our May 22 Ewald's Venus Ford Show & Swap. Dash plaques are done. Trophies/Plaques are in progress. Flyers have been printed and many distributed at the Feb. 27th Model A meet. Please remember to pre-register if possible. It saves you a few bucks. Plus, it makes it much easier on our registration crew the day of the show.

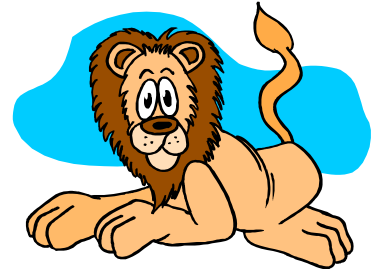

For those of you following the continuing saga of my left eye, here is the latest. The good news is it is healing fine. Bad news is there is a fragment of the silicon oil bubble remaining behind the lens. Vision is still at 50%. A fourth operation may be necessary in early summer to clear that up. It should not be as intense as the previous three. Thank God I have a chance.

"Keep on 'stangin'",

Dick Doria

FROM THE EDITOR

In Like a Lion or Lamb?

It doesn't matter! Spring is on it's way. Don't forget that the Annual Club Dinner is on March 27th. You must sign up for this even if you worked the show. Sharon Doria will need a head count.

I hope some of you had the chance to go to the Auto Show. It was a last minute event, but it sounds like we had a good turn out. This may be an annual event. So please keep this in mind, it's not a plan event, Ford rep get a hold of us....last minute and then we quickly send e-mail invites. So make sure your e-mail addresses are up to date! I will be sending out another directory in April in Alpha order.
