

The Feed Bag.... what happened and what's happening

"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

Boy! We sure have had a nasty cold spell. Putting the battery tender on the cars in the cold has been invigorating, to say the least. Cannot wait for warm weather to get the ponies back out on the road.

It was good to see a great turn out at our January meeting. We covered a lot of topics and all had a good time! I watched the Mecum and Berrett-Jackson auctions in January. Holy Cow! A lot of cars going for BIG dollar \$!!! Some fantastic vehicles. Mustangs and Fords going for unbelievable prices. Very interesting to watch. Don't let your club dues lapse. Be sure to send your 2022 annual dues to Jack as soon as you can. They are only **\$15** per family. No inflationary adjustments for 2022.

Please note: our annual **Pizza Party** has been **cancelled** due to staffing issues.

Our next magnificent even is our **Annual Club Dinner** on **Sunday, April 3rd** at the infamous **Pulaski Inn, Cudahy**. For those that have worked the 2021 WEM car show, dinner is on the club. The fees for those that were not able to work the show are listed on the flier in the newsletter.

Our next Mustangers meeting is **Monday, March 28th** at Joe's K Ranch, 7:00pm. The Wisconsin winter weather should be easing its grip on us by then.

Remember.....There is **NO** February WEM meeting.

Be sure to mark your calendars for the always great **WEM All Ford Show** coming up on **May 22, 2022!** We are planning on another great show.

What do you want?..... A Faster Horse!

Glenn

February Calendar WEM Events In (Red)

> 2 nd	Wednesday	Groundhog Day
> 14 th	Monday	Valentine's Day
> 20 th	Sunday	Model A Swap Meet Washington County Fair Grounds
> 20 th	Sunday	Pizza Party ----- CANCELED -----

Mach-E GT On Patrol

New York City cuts an \$11.5M check for 184 Mustang Mach-E GTs

The Big Apple is getting serious about phasing out gas-powered vehicles for some of its municipal authorities. According to a Detroit Free Press report, N.Y. officials announced on Wednesday that the city has purchased 184 Mustang Mach-E GTs for use in the Police Department, the Sheriff's Office, the Department of Corrections, the Department of Parks and Recreation, and a few others. The initial purchase totals \$11.5M, or an average of \$62,500 per vehicle. The law enforcement vehicles will include costs for significant retrofitting of safety and equipment. New York City has a goal of an all-electric municipal fleet by 2035. In September, the Mach-E became the first EV to pass the testing regimen required by the Michigan State Police, which includes acceleration, braking, high-speed pursuit, and emergency response handling.

Although the Mach-E passed the Michigan State Police testing regimen, it didn't do so with flying colors. A report from the MSP's evaluation shows that the Mach-E frequently scored the lowest on key metrics, including usability around the steering wheel, HVAC controls, trunk access, and back seat access. Whether or not some of the retrofitting mentioned by NYC officials will remedy these issues remains to be seen.
