" A Few to Preserve the Best "

From the Prez :

February 27, 1995

I trust that everyone is enjoying the nice weather that we are experiencing, or were experiencing for the past couple of days. It's amazing what nice weather does to car people this time of year. The nice weather becons you to bring the car out of storage for just a little spin around the block. But then the cold reality of winter lets you know that it's not quite through with you yet. Oh well, Spring will be here soon enough and we can get the cars out then.

For those of you who missed the Annual Gimmick Bowl Feb. 19, you really missed a fun time. The turnout was good, with over 50 people attending. If you've never participated in the Gimmick Bowl, I would suggest you put it on your things to do list for next year. Bob and Sue Zimmermann did a super job as always. Everything went off without a hitch and a great time was definately had by all in attendance.

We also had our Annual Club Dinner on the 25th. Attendance was rather light. We only had 25 or so who attended, but that didn't stop us from having a great time. As usual the food was excellent at the Rafters and Sharon did a great job setting everything up.

I also wanted to give you an update on the Show. The building project is ahead of schedule at Ed Witt's. The roof is on and there is heat in the building. When we drove by last weekend, they were working on the glass front of the building. It is really going to be a great facility. Over the next couple of months we are going to be looking for volunteers to help with the show. There will be sign-up sheets at the meetings. If you can't make the meetings but want to help out, just give me a call at 414-567-2622 and we'll find you a spot on the list. Remember, the more people we can get to help out, the more people who work the show can enjoy it too !

Well that's about it for now. Unitl next time . . . keep on Stangin !

MINUTES FROM MEETING HELD

February 27

- The meeting was called to order by president Moen at 7:30 PM.
- Sharon Doria gave the club financial report.
- Mary Jo read the minutes from the previous meeting.
- Scott reported on the Swap meet at the State Fair Park held on the 19th. We passed out a good number of show fliers. Few Ford and Mustang parts. Lots of Chevy parts.
- Bob Z. reported on the annual club bowling party held on the 19th. The turnout was a little lighter than past years. All that attended had a good time. Prize awards listed in newsletter.
- 25 people attended the club dinner on Feb. 25. Once again the food was great and the Mustang conversation was plentiful. Thanks to Sharon Doria for putting this together.
- Fritz Dowe is planning a joint OTR trip with the Badgerland Mustang Club. He is looking at the Fond Du Lac area for a destination. Many activities are being reviewed. The date will be June 3rd and 4th. There will be a sign-up in next months newsletter.
- Fritz Dowe has set up our annual Ice Breaker Brunch run. The date is May 7th. The place once again will be the Intelaken at Lake Geneva. Sign up in newsletter.
- Two day trip outings are being planned for August 5th. Members will have an option of what event they would like to participate in. A trip to VOLO antique auto museum and antique mall and a joint car rally with the Badgerland Club are in the planning stages. More info to come.
- Dick Doria and Lisa Housey have agreed to put on a tech seminar. The date is Saturday March 25. The topic will be electrical systems old and new. More details in this newsletter.
- The meeting was adjourned at 7:55

Show Meeting Action Plans

A planning session for our annual show was held at Wauwatosa Savings Bank at 6:30 on February 27. The following is the action plans that were addressed.

- Our supplies will be moved from Schwister to Venus 2 weeks prior to the show
- Help is needed for the day of the show primarily in the parking and litter control area.
- Bob Z. will investigate the cost of 1st and 2nd place plaques in lieu of the traditional trophy.
- Scott Moen will develop a 3rd place certificate.
- Dick Doria is investigating dispensed soda instead of canned soda.
- Wayne Kabitzke will solicit donations for trophies.
- All new table skirting and decorations will be purchased.
- Scott will contact Venus Ford and request that they include our show schedule in their journal ad.
- A mock set up at Venus will take place two weeks prior to the show.
- Bob Z. will provide a breakdown of classes over the past 3 years to aid parking allocations.
- A future meeting may be necessary to finalize all details.

ADS FROM THE PAST

It pays to keep your Chevy the Chevy-est

WITH GENUINE GM CHEVROLET REPLACEMENT PARTS

Naturally you care what parts go into your Chevrolet—because your Chevy does! Whether your pride and joy is a new Chevrolet or an older vintage model you're keeping in mint condition, the important thing is to use only *genuine* GM Chevrolet replacement parts. That way you're sure of maintaining the dependability that makes a well-cared-for Chevrolet such a pleasure to drive. The reason, of course, is that genuine GM Chevrolet parts are built *especially* for Chevrolets to fit right (for easy, fast installation) and work right for a long time to come. They're available at your Chevrolet dealer's and at leading independent garages and service stations. . . . CHEVROLET DIVISION OF GENERAL MOTORS, DETROIT 2, MICHIGAN.
