**February 26, 1996**

Well as I sit down to write this on Sunday evening, I can't say today's racing outcomes have been to the benefit of the Blue Oval. For those of you who follow the NASCAR Winston Cup races, Dale Earnhardt beat out Dale Jarrett in North Carolina. As well as Ron Fellows beat out Dorsey Schraeder in the first SCCA Trans-Am race of the year in Florida. Two Chevrolet wins, what a day! Well on to more pleasant things.

For those of you who didn't get a chance to return your club survey, the response was sparse to say the least. We only received 17 surveys back. Those 17 responses ranged from someone answering one question to a couple of people who went into great depth on the questions. I appreciate everyone who took the time out to fill in the survey and return it. Over all the responses we received were positive. The majority of people want to see the club put a little more emphasis on the car show and some different club activities. We will be doing that! Again, I want to thank everyone who participated in the survey. Let's all have a great time with the club this year. We want to see participation UP in all activities!

I wanted to keep everyone posted on the upcoming trip in June to Detroit. We have been trying to secure a tour of the Dearborn Assembly Plant where they build the Mustangs. We've, for now, been denied a tour because of the Mustangs slow sales. However, we are going to contact someone in a higher position at FORD to see if they can't help us out. Either way, we'll be running the trip and we will have some fun places to tour even if we can't get into the Mustang Plant. I hope to have a definitive answer in the next newsletter.

Well that's all for now. Remember, the show season will soon be upon us. The first show of the season, Loyal Ford, will be April 21st. So start shining up those cars, it will be a blast! Till next time . . . . Keep on Stangin.

## CLUB DINNER

The annual club dinner is planned for March 23rd. The new location this year is Etzels Country Inn located at N104 W14010 Donges Bay Road in Germantown. Cocktails from 7:30 to 8:30. Dinner will be served at 8:30. There is a sign up, with menu choices, in this newsletter. Once again we will thank those who helped in making our '95 car show a success by paying for their meal. A coupon will be attached to your flier if you qualify for the free meal. It is important you return the coupon for the free meal along with the tear out section of the flier to the address specified on the flier. It is necessary to have all commitments returned by March 13th to allow enough time to finalize the plans with the restaurant. Please be prompt.

## NEED THOSE GOODIES

I hate to sound like a nag but we are really in need of your help in procuring goodies for our show goodie bag. As stated earlier you can canvass your bank, insurance company, local merchants or any concern you do business with and in most cases they are more than happy to part with a couple hundred items with their advertising on to pass on to those who register in our show. It may help if you let them know that their generosity will be acknowledged in our newsletter.

## CLUB DISCOUNT

There have been numerous inquiries as to a club discount. We are currently working on updating our list of vendors who have agreed to offer W.E.M. members a discount for any purchase. We hope to have this listing completed by next month so we can publish in the newsletter. Until we finalize this listing check with your supplier. Tell them you are a member and you may receive a discount. If you know of any supplier willing to participate in offering our members a discount pass this information on to a club officer and we will add them to the list.

Until Next Month  
Fraternally Yours,  
Bob Zimmermann

## MINUTES FROM MEETING HELD FEBRUARY 26TH

- The meeting was called to order at 7:30 by president Moen.
- The secretary read the minutes and the treasurers report was given.
- Our new vice president Doug Dorn was introduced to the members.
- The State Fair Swap proved to be the same as in past years, Lots of Chevy parts and many empty swap spaces. We did however have a successful day passing out show fliers.
- Fritz Dowe reported on the upcoming club dinner. It will be held March 23rd at Etzels Country Inn in Germantown. A sign up will be in the newsletter. This year we will once again reward those who helped at our '95 show by paying the price of their dinner.
- The bowling party is still being planned by Fritz. It will take place as soon as he can find a spot. It is planned as just a casual club get together.
- No date for the Show committee meeting has been set. Committee chairmen will be notified as soon as a Date is decided upon.
- The trip to Dearborn is still a go. Scott learned that the tour of the Mustang plant was turned down. Plans are still alive for a tour of the Ford Museum and Greenfield Village.
- Ron Lubke and Wayne Kabitzke are planning the Brunch Run set for may 5th. Location has not yet been decided upon. More in next months newsletter.
- The club showed interest in setting another picture day. It was suggested that we would do this in conjunction with a day trip. The picture taking would take place earlier in the morning and those wishing to venture out for a day of travel could start after picture taking was completed..
- Scott is trying to update our club discount advantages. Many vendors have offered our club discounts. This list is currently being updated. A complete list will be published when completed
- The meeting was adjourned at 8:15.
