

Hi Ho Mustangers,

3/31/11

The calendar is saying spring but, the weather is saying winter. I hope that April will warm up as I need one nice day to finish the interior on the 68. I need to install the dash bezels and dash pad and it will be done. It would be nice to have it ready for the Ice Breaker Brunch Run on May 1st. If any one is planning to attend(HA-HA) this event please get your money in ASAP to Wayne Mudek. All the details are in the news letter. There is a show and shine event later that day in down town Greendale that I might stop at and the details are in the meeting minutes.

The show is progressing well with food and music all locked up. Jack Winter has the work assignments from last year and is asking for all to confirm you are working the show this year and a cell phone number. Debbie and Vern are collecting door prizes and I am happy to say they are starting to come in. The sooner they get them the better as they will have the time to get the donors on the reader board at the show. We are still in need of members to help fill the 2 shifts of parking at the show. If you can help please contact Jack.

On May 16th Dick doria is doing a seminar on computer diagnostics 94 and up. This is going to be helpful to all of us with our daily drivers. Please contact Dick to let him know if you are planning to sit in. He is planning a live run on a car with his lap top computer. See the news letter for details.

And last and NOT least I am proud to announce the winner of the mustanger of the year, Steve and Kitty Klien. They have been long time members and very active. Kitty has done a great job with the Marsh Run Trips and Steve has been the "Club Photographer" for many years. Congats to the both of them. The club dinner was great at the Pulski Inn with Sharon Doria getting us the upper hall this year.

70 plus members were there and enjoyed a great feast. I want to thank Sharon and all who made the desserts. That is all for now, more next month.

Yours in Stangdom,

Tom

FROM THE EDITOR

March Madness!

Spring has sprung and it's almost time to get our ponies out. Although I've seen some classic cars out already. I think we'll wait to see if Mother Nature is ready to stop with the snow.

Club dinner was a great time for all. We had a very nice crowd in attendance. The upper level of the Pulaski Inn was very nice and it looks like we'll be using it again next year. A big congrats to Steve & Kitty Klein!!! They were this years "Mustangers of the Year." Great job!!

The Brunch Run is next up on the calendar. Please check our flyer for details.

Car show fever is in the air. We need to get our ducks in a row. Communicating is key, so please let Jack know if there's any changes to the attached roster. Also don't forget to pre-register for the show. This saves a lot of time the day of the show for many people! As always, Debbie Snyder is still looking for door prizes. If you have some to donate, please make sure you contact Debbie.

Here's a few other shows that I was notified on. This is a bonus. I don't like to try to fit every car show into the newsletter, especially if it's not WEM related. I happen to have a little extra space this month. Enjoy!

Horses and Hogs show.

<http://horsesandhogs.com/>

We have a few people from the club come down last year.

It is a fun show – and will be larger this year.

Pocker Run, DJ during the day, a band at nite, food, fun, Mustangs, Harleys and a Mustang p 51 or 2.

We would like to inform and invite everyone there to the Muscle Car Restorations open house that will be held on May 14th 2011 from 10AM - 2PM this year. We encourage everyone to bring their collector cars for the car meet held around the grounds of MCR, enjoy a complimentary lunch, watch demonstrations of our in-house chassis dynamometer, and talk shop with MCR employees, share restoration tips, techniques, and stories.
