G'Day Mustangers!

Sad news.... Our good friend and club member #66, Sal Lorino has passed. He always had a smile and a friendly word every time you met him. He will certainly be missed by all. And, thank you to all the Mustangers that made it to the funeral. We had a very good showing of members attending.

Karen & I had a blast traveling down under in Australia and New Zealand. Ironically, I kept an eye out for Fords while traveling. We saw several late model Falcons, Mustangs, the new Ranger pickups, etc. The one car we thought unique was a right-hand drive Model A. I put together a little write up on it inside the newsletter.

A special thanks goes out to Sue Miller for coordinating our Pizza Party and Sharon Doria for a wonderful job working out all the details for our club dinner. We truly appreciate all the work they do!

Now that the frigid cold has passed, it's time to get out to the garage and preparing our Mustangs for our **Ice Breaker Brunch Run** coming up on **Sunday, May 5th**. This is always a fun time with our members cruising through the Kettle Moraine to the Fox & Hounds. The food is phenomenal, too! Be sure you're signed up and be ready to have fun!

As our **All Ford Car Show** approaches, be sure to go around, preferably wearing some club clothes, and solicit for raffle table items. Our show patrons appreciate the items we offer. We do a great job attracting people to show their cars with these items. When soliciting, bring along a car show sponsors letter to give to the generous gift giver for their accounting team.

This was just put together – **Iola Car Show Cruise!** Look in the newsletter for details! It will be a one day, up & back event. Iola is always a fabulous show and swap meet!

One last tid-bit – Details for **Kitty's Run** scheduled for June 8th are in the newsletter. Check it out and sign up soon.

Cheers!

Glenn

Funny Things to Ponder

*Why isn't phonetic spelled the way it sounds?
 Why are there interstate highways in Hawaii?
 Why are there flotation devices under plane seats instead of parachutes?
 Why are cigarettes sold in gas stations when smoking is prohibited there?*

Attention All Mustangers

Wisconsin Early Mustangers is planning a cruise to the Lola Car Show this mid July. Their show theme this year is *Calling All Car Clubs*. Members attending this event must bring a Mustang or Ford product. We are looking at one of two dates to do an up & back to the show. Please send me an email (glenn1st@centurytel.net) with a preferred date that you would like to go by April 10th. If you could do either date, let me know that as well. Based on which date has the better interest, that will be our cruise date.

The two dates are:

- 1) Friday, July 12th
- 2) Saturday, July 13th

Let's get a good attendance on this! Word is those Mopar guys are looking at 40 some cars! Let's give Ford Mustang a strong showing!

When we set a date, we will work with the Lola Car Show staff and individuals will receive a packet with tickets, dash plaque, show information and wrist bands. Cars will be parking on a paved area of the show. There will be no admission fee when we come as a club.

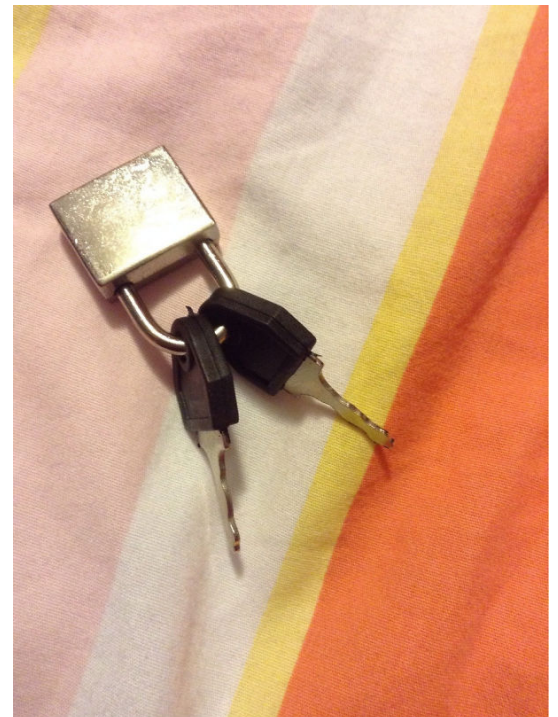

Look over your calendars and pick a day for the event! This will be a BLAST!!

Deadline to contact us with your date choice is April 10th!

Cheers!

Glenn

-----MUSTANG TRIVIA-----

- ★ -Inspired by the 1968 movie, the first Mustang Bullitt GT model was offered in 2000 and 2001. It featured unique side scoops, 17-inch "Bullitt"-styled wheels and lowered and specially-tuned suspension.
- ★ -In 2002 production ended for two of Mustang's closest competitors: Chevrolet Camaro and Pontiac Firebird.

Car Show May 19th, 2019
Ewald's Venus Ford

A note from your Show Coordinator Don Schultz

Behind every successful nonprofit organization is a high-performing team of volunteers. With the Wisconsin Early Mustangers it's each one of us.

Other car clubs have disbanded do to a lack of volunteer participation. Another club asks us to help them run their car show do to an inability to round up enough volunteers to support their show.

We have an all Ford car show that is envied by other clubs. It's the first all Ford Car show of the year in our area. We have a very good size participation of people showing their cars. We have a very good population of people that come out to view the cars on display. You can have your car entered in the show and volunteer to help make the show an outstanding success.

Help us maintain an outstanding car show that opens the car show season in this area. To state the obvious there are still opportunities to help the Club put on that outstanding show of Mustangs and other Ford products. You can sign-up to volunteer in a few different ways. There is a "[Signup Genius](https://www.signupgenius.com/go/60b0c48a5a828a7fb6-allford1)" website waiting for you to visit and make a choice at <https://www.signupgenius.com/go/60b0c48a5a828a7fb6-allford1>, you can contact me through my email Don@DJSchultz.net, you can call me at (414) 331-4946. You can even talk to one of our Club Officers, and I'm sure they will be happy to let me know what you would like to help us with.

Here is a list of positions we are looking for help in.

- Drivers Saturday afternoon, and Monday morning help move the dealership vehicles
- Door Prizes and Raffles
- Gate Registration
- Parking morning and afternoon, help people find their parking places and keep the grounds safe
- Show Setup
- Traffic Control @ Gate
- Trash and Tear Down

Feel free to call me if you would like an explanation of a position that you would like to work in.

Let's continue a WEM tradition of developing and running an outstanding car show to open the 2019 car show season.

Thank you
Your Car Show Committee

It will make you feel good!

Fords Down Under

G'day from the Ford down under. Australian & New Zealand Fords are around, but not as many as other brands.

Oriental made cars predominate the scene. We do have some members that are familiar with the blue ovals of Australia & the *shaky islands*. There were certainly a lot of the newer Ford Ranger Utes running around. Many had a metal rollup tonneau cover over the box. That's a really nice option.

There are a fair number of the current generation of Mustang cruising the roads. Funny getting used to seeing them with the steering wheel on "the other side". Tough getting pictures while riding in a tour bus.

Interesting is the other model Fords I haven't seen up in the northern hemisphere. I've never hear of a Mondeo sedan or an Everest (small SUV) or a G6E sedan.

Ford Mondeo

model Ford Falcons, sedans and station wagons. Of course as soon as I saw one, we were past them

and missed a picture of one. Escapes and Focus's are out and about, too. And believe it or not, in Akaroa, New Zealand there is a right hand drive Model A.
