

Since we haven't gotten any feedback from our Members on pictures of their cars for our special "Car of the Month", I had to dig into my scrapbook for some more pictures. Sure could use some photos from all of you 'cuz my supply is running out.

This car is owned by one of our members — John Kuderski. It's a '68 Shelby GT-350. It was purchased down in Florida, free from rust. But, as John put it, she was in very rough shape. The interior was totally gutted and trashed, and the exterior was totally gone over and redone. Now the car is immaculately painted #8 or more commonly known as Acapulco Blue. The interior has been restored to showroom condition — black is the color. The Shelby has the usual options along with tilt-steering, air conditioning and even has the original Shelby mags. John is now planning to do some restoring under the hood. The car currently has a 351W with an automatic transmission but he'd like to make the engine original, too. So, just by chance, does anybody out there have a spare 302 Shelby engine laying around?

Here is an example of what our new business cards look like. They are available from Dick Doria by either seeing him at the meetings or by phone = 761-2267. Pretty professional, huh?

"A FEW TO PRESERVE THE BEST"

"The Herdby"

April 7, 1982

FROM THE PRES.

Finally Spring has sprung. We're starting to see many "Stangs" on the road and poking their noses out of hibernation in various states of repair. We all are starting to notice a quickening of pulse rates as the activities of the year are drawing closer. The group dedication seems to be getting stronger than ever. Our last two meetings ended up "standing room only". We are really looking forward to our second club rally on April 25th. It should be fun! Our first time "Swap Meet" is shaping up to be pretty good. Time to make up your "want list" and dig out those dust covered parts that you want to sell or trade. The May 21-23 two night "over-the-road" trip to LaCrosse and the Mississippi River is getting bigger by the day. If you haven't signed up yet, get your \$20 pre-deposit in to me at the club address. SOON! Bob Beauparlant and myself will be doing the Recon. on Thursday, April 8th. Reservations will be made very soon after that. We are going to try and secure a block of rooms inside the La-Crosse Holiday. It will be a bit more expensive, but we feel worth it for the first and biggest trip of the year. Our group will be all in one place this way.

I finally am going back into the productive work force as a service representative for a company in Franklin, Wisconsin. Some travel is expected, and I may not see you all as much as before. Bob Zimmerman and the rest of the officers will handle affairs in my absence. Please give them every consideration you gave me in the past. And, don't despair, you know me — I don't plan on writing myself out of the picture except on a few occasions. So stick together gang!

The "'lil red convert" has its new rocker and torque boxes done now and it's sitting in our garage with a blue driver's side door on. The body is all stripped out, floors left to put in, and the new bottom end is being machined. Dick Coyle keeps looking at that relic of ours and shaking his head. He feels that I'm going to have a heck of a time to get our engine, body and interior back in one piece while working. Only time will tell . . .

"Keep on Stangin'!"

THE MEETING — MARCH 29, 1982

Another standing room only meeting, good work!

UNDER OLD BUSINESS: Club jackets were given out to those who had them ordered. Ones not picked up plus a few purchasable extras can be obtained by calling Dick Doria or Shar Doria at 761-2267. Our new business card was available along with our regular "WEM goodies". Deposits were payable for the Mississippi River Trip. Antennas flags are on hold, again! Pat Evans gave us some more details about the May 8th Swap Meet. Bob Zimmerman and Dick are working on the connection for our car show. We were asked to hold off on Mustang Monthly sign ups until the forms come in. A group of us are going up to meet the Fox Valley Mustang club on May 11th. It's still not too late to sign up for the Memorial Day Parade in Menomonee Falls. Discussion was held on our tentative club album. The "Wake-Up Rally" date is set at Sunday, April 25th at 10:30 a.m. Club hats are on order, and we should have three dozen available at the April 26th meeting. First come — First served! Tentative dates for our third annual Club Picnic are August 15th or 22nd.

**UNDER NEW BUSINESS:** Ray Kocaja from T.B.A. magazine talked to us about the rhyme and reason of his publication. He has offered us publicity help for our club and its events. Display cars are needed for the May 23rd swap and show at Waukesha Expo.

**NEXT MEETING:** MONDAY, APRIL 26, 1982 AT 7:30 P.M. - WAUWATOSA SAVINGS & LOAN - 27th Street & College Avenue
