" A Few to Preserve the Best "

From the Prez.

March 26, 1995

It's scary to think about how fast time tends to go as you get older. It hardly seems like I put the convertible away 5 months ago. But now the fun begins, getting it all set for another fun year of car shows and events. Another thing that doesn't seem possible is that Ed Witt's Venus Ford is scheduled to open it's new facility on April 1st. And that's no joke ! I have been assured that everything is going good and that they'll be set for our show May 21st. If you have a spare moment, stop on by, take a look around and say hi. Everyone there is really looking forward to our show.

I also want to take a moment to touch on another subject. That's the car show being held at Uptown Lincoln Mercury the same day as our show. From what I was told in the beginning, this was to be a Lincoln and Mercury show only. But I now know that that's not true. They are also including Fords. I have talked with the gentleman in Illinios that is organizing this event and I have been assured that next year they will not interfere with our show date. I have also been advised that he has received a number of phone calls every week from our club members telling him about our show. Please believe me, he knows about our show and asks that we don't call him anymore. Unfortunately, we found out about his show too late to ask him to change his date. I still believe that we have a firm following of people and as long as the weather cooperates we will have a great turn out at our show. I've also informed him that as long as the dates don't conflict, we will be happy to support his show in years to come. Enough said.

On a Brighter note, our club has submitted a letter requesting that our charter with the Mustang Club of America be reinstated. I have not gotten a response as of yet, but it looks very good that we'll be accepted. I should know more by next months news letter.

Well that's about it for now. I hope to see some of you up at Loyal Ford's Show on April 23rd. Remember, start polishing those ponies now. Until Next Time
Keep on Stangin !

MINUTES FROM MEETING HELD MARCH 27

- The meeting was called to order by president Moen at 7:30 PM.
- Dick Doria gave the club financial report.
- Jeanette Roycroft read the minutes from the previous meeting.
- New member Joan Lukaszewski, from Salem WI, was introduced.
- Dick Doria announced that he and Lisa Housey have rescheduled the Tech Seminar for May 6th at Dicks house. Time will be 11:00 AM. Call 761-2267 if you plan to attend.
- Moving day is planned for May 6th at 8:00 AM. It is necessary to move our show equipment from Schwister Ford to Venus Ford in Cudahy. We are in need of a couple trucks and bodies to help. Please call Scott Moen if you can assist. The Tech seminar at Dicks house will follow the move.
- Loyal Ford show will be in the new renovated facility. 4.5 acres of newly paved parking for the show cars. Anyone interested in driving together to the show should call Scott. We will be leaving from the Park and Ride on Watertown Plank road and I-45 at 8:00 AM. The date is April 23rd.
- Responses to the Ice Breaker Brunch run are coming in rather slow. If you plan to attend please fill out the coupon in the newsletter and send in ASAP. The date is May 7th. The place once again will be the Intelaken at Lake Geneva. Sign up in newsletter.
- The day trip to VOLO antique auto museum and antique mall on August 5th has been set up by Jack Winter. We had originally planned to get involved with the Badgerland Club for a rally. We will be inviting them to join us on the outing instead.
- A final planning meeting for our show is forthcoming. This meeting will be for committee members. The place will be at Sal Lorinos house. The Date and time will be given to all committee chairmen later.
- The meeting was adjourned at 7:55

TECH SEMINAR RESCHEDULED

The Tech Seminar previously scheduled for March has been rescheduled to May 6th. Please call Dick Doria at 761-2267 by April 30th if you plan on attending. The topics for the seminar will be electrical trouble shooting for Late and early model Ford products.

LATE NOTE: SAL LORINO IS LOOKING FOR THE AUGUST 1989 ISSUE OF MUSTANG MONTHLY. CONTACT SAL AT 769-0700 IF YOU ACCOMMODATE HIM.

ADS FROM THE PAST

There's more to it than that, Charlie Brown. You also get those service-saving features with any new car or wagon you purchase from Ford*

They go 36,000 miles or two years between major chassis lubrications... 6,000 miles between oil changes and minor lubes. Even the brakes adjust themselves! And now V-8 power is available in Falcon sedans, hardtops, convertibles

and wagons—the same V-8 power that did so well in the Monte Carlo Rallye! And with this new V-8 power you get America's *only* fully synchronized 3-speed manual transmission as standard equipment. Visit your Ford Dealer's soon for a Falcon test-drive. Tell him Charlie Brown sent you.
