" A Few to Preserve the Best "

From the Prez.

March 24, 1996

The count-down has begun. Spring is officially here ! However you may not have noticed because of the weather. I thought the first day of Spring is supposed to be semi warm ? Oh well, we have less than a month until Loyal Ford's car show on the 21st of April. I suppose that means that I have to get the Convertible out of storage and start to clean it up. Maybe I can get Tammy to clean underneath it again ??? I am not holding my breath.

For those of you who did not attend the annual WEM club dinner last night, boy did you miss out on some good food and a wonderful evening with friends. There were 23 people who attended and everyone had a great time. Wayne Kabitzke was kind enough to entertain all of us with his rendition of the theme from " The Beverly Hillbillies ". Our thanks to Fritz and Sue Dowe for planning the dinner for all of us.

Speaking of food, you will find a sign up sheet in the newsletter for the Annual Ice Breaker Brunch Run coming up on May 5th. We are going to be doing something a little different this year. We are going to be having brunch in Watertown first and then be taking a drive out to see Bob Perkins fabulous collection of Mustangs. For those of you who haven't been out to Bob's place, it is a sight to behold. You will definitely be in Mustang Heaven. It should be a great day for all who attend. We will also be joined by the Badgerland Mustang Club. Mark your calendars and get your reservations in soon.

I had hoped to have an answer on the Ford Dearborn Plant tour by now, but so far we have had no official response. One way or another I will have an answer in the April newsletter. So still plan on Detroit because it will be a blast with or without the plant tour.

I hope to see some of you up at Loyal Ford with your cars ! Summer is just around the corner and so are the shows ! See you there ! Until next time Keep on Stangin!

Scott

CLUB DINNER

Congratulations to Fritz and Sue Dowe for putting together a very nice outing. We were unable to attend, but what I had heard it was a very huge success. This is one of many events that the club will help subsidize from the funds in our treasury. The next event that the club will help fund is our Brunch Run which will be held on May 5th. The cost over \$10.00 will also be on the club. As long as we continue to have a few extra bucks in the kitty we can help support some of these outings. The officers of the W.E.M. hope you will all take advantage of this.

TECH SEMINAR

Tired of the hassle of trying to collect from a new car warrantee. Do you fully understand what this warrantee does for you, or are you like most of us and don't check it out till it's too late. Lisa Housey will attempt to give us a better understanding of the value of this warrantee. She will also explain what's hidden in the fine print of the contract. She will hold a seminar at 2511 W. Carrington Ave. Oak Creek on Saturday May 4th at 10:00 AM. If interested reserve a spot by calling Lisa at 255-1049

CAR SHOW MEETING

There is a tentative meeting for all show committee chairmen to finalize the plans for our upcoming 14th annual Show and swap. This meeting is currently planned for Sunday evening April 28th at 7:00 at Sal Lorino's house. This will be the last chance to put everything together and iron out any bugs of the show. Committee chairmen should attend or send a representative.

MOVED RECENTLY ? ?

If you have moved to a new address please keep us informed. We try to keep accurate records of all our members to insure you are kept informed of the club activities. The best way to communicate is through our newsletter. Recently I received a number of returned newsletters that could not be forwarded as the one year forwarding statute took place. Send any change of status to Bob Zimmermann and insure your records are kept in tact.

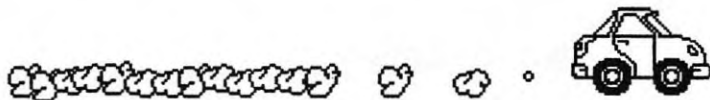

Until Next Month
Fraternally Yours,
Bob Zimmermann

HAPPY EASTER

MINUTES FROM MEETING HELD MARCH 25TH

- The meeting was called to order at 7:30 by president Moen.
- New member Ron Gawin was introduced to the members.
- The treasurers report was given by Sharon Doria.
- A report on the club dinner was given. It was held March 23rd at Etzels Country Inn in Germantown. 23 people attended. The club paid for the meals of those who helped work the car show last year. The food was very good and the private room aided in the socializing. Thanks went out to Fritz and Sue Dowe who planned this outing.
- A date for the Show committee meeting has been set for Sunday evening April 28th at Sal Lorino's house. Committee chairmen should plan to attend this meeting to finalize the plans for our annual show.
- The trip to Dearborn is still a go. Scott learned that the tour of the Mustang plant was turned down. Plans are still alive for a tour of the Ford Museum and Greenfield Village. Supper or breakfast is being planned at the Ford mansion.
- Ron Lubke and Wayne Kabitzke are planning the Brunch Run set for May 5th. Location is the Wildwood Country club in Watertown. A trip to Bob Perkins auto museum is planned after the brunch. Or, if you are so inclined, you can stay at the country club and play some golf. A sign up sheet will be put in the newsletter.
- John Lerner reminded the group of Nostalgia Days in Zion IL. We will publish a flier in the newsletter closer to the date.
- Lisa Housey plans to put on a Tech Seminar on new car warranties. The date is May 4th at 10:00 AM at the Dorias house. Please call Lisa at 255-1049 to register.
- The meeting was adjourned at 8:10.
