NEWS LETTER

" A Few to Preserve the Best "

From the Prez.

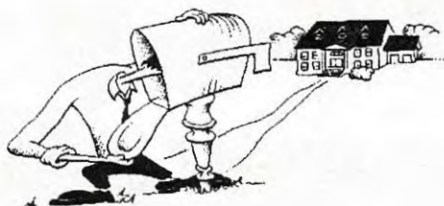

March 30, 1997

Happy Easter one and all ! I trust that more than a few of you have already fired up the Stangs and blown the cobwebs out. Just can't wait for Spring huh ? Well with the recent weather, neither can I. As I write this, the Loyal Ford Show is only three weeks away. Hard to believe we will be starting the show season that soon. I hope that some of you are able to attend that show , weather permitting of course. It is a well done show. Also the drive up there is very relaxing , especially in a Mustang !

Well we had our annual WEM club dinner on March 1st. Turn out was very good and the food was excellent. Our thanks to Tom & Dawn Wagner for supplying the boom box and CD's for our entertainment. We also had door prizes courtesy of the Ford Motor Co. Our biggest " Thanks " go to Sharon Doria for organizing another wonderful club dinner. I know everyone had a great time.

The other event that happened was our Car Show meeting. First off , " Thank you " to Sal & Pat Lorino for the use of their basement and for their hospitality. We had a smaller turnout than in years before , but we managed to cover everything that we needed to. We covered all the areas of the show and how we were going to handle them. Two areas that need to be seriously addressed are " Trash Detail " and a new position , " Show Chairman's Assistant ". We're looking for two individuals to take charge of the Trash Detail. They would be responsible for policing the area every hour of so. The second position , " Show Chairman's Assistant " which could also be classified as " Sal's Helper " , is new this year. We are in need of someone to help Sal keep everything going smoothly. The person would need to be available from 9 am until around 2 pm or so and would report directly to Sal. Anyone who's interested should contact me at 414 - 567 - 2622 and I will give them further details. As always please consider lending a couple of hours to help out at the show. We can use all the help we can get. Thanks !

Well I have to run for now. Hope to see some of you at Loyal Ford on April 20th. Until next time . . . Keep on Stangin !

From Your Editor

W.E.M. Show Update

A meeting was held on March 9th to review our needs for the upcoming 15th annual Wisconsin Early Mustangs/ Venus Fords show and swap. The following is a summary of these changes. If you have any suggestions for improving our show please feel free to let us hear them. The car show is the biggest club event of the year. Please plan to devote some of your time helping to make it a success.

- This year the cars will be classed upon entry to the lot. This will insure that they are classed properly.
- Volunteers for parking should be at the show by 7:00 AM Sunday morning. This will allow for a last minute dry run.
- This years ballot will have a show questionnaire on the reverse side. We are asking that our show is assessed via this questionnaire and turned in with the ballot.
- Trophies will be awarded for 1st, 2nd, and 3rd places.
- A new trophy display table will be ready for this years show. We will also have new table skirting for the club, concessions, and registration tables.
- We are still in need of Goodies for the Goodie Bag. Please contact the concerns you do business with and see if they will contribute. Contact Bob Zimmermann and he will make the necessary arrangements to have them picked up.
- Setup for the show will take place early Saturday afternoon May 17th. We will need all the help we can get. About 1 hour of your time is needed.
- It is necessary to purchase some new cooking utensils for the concession stand. The club will also be renting a soda cooler instead of using ice tubs.
- There is a need to develop a new position as a runner. The person who volunteers for this position will be required to go for items needed to keep the show running smoothly
- We are also in need for two volunteers to run our trash detail. This is an area that has been neglected over the past few years. Volunteers will receive a club Polo shirt.
- There will be a critique of the '97 show after the June monthly meeting. This will help to better plan our '98 show.

Until Next Month,
Fraternally Yours
Bob Zimmermann

MINUTES FROM MEETING HELD MARCH 31ST

- The meeting was called to order at 7:00 PM by president Moen.
- New member Don Kirst was introduced.
- The minutes from the February meeting were read by Mary Jo.
- The treasurers report was given by Sharon Doria.
- The change of format for the annual club dinner, at the Pulaski Inn, proved to be a success. A buffet style dinner was attended by 40 members and friends. The food was great and the W.E.M. Mustangers cake provided a tasty dessert. It is likely we will return to this format for next years Banquet. Thanks to Sharon Doria for organizing this event.
- The results of the show planning Meeting, held at Sal Lorino's house, was discussed. Members in attendance at the club meeting were given a printout of everything discussed at this meeting. A few changes were added to the show structure. A breakdown of this show meeting will be described in this months editors column in the newsletter.
- Tom Wagner volunteered to be our photographer at the club show and swap. He will take both video and still pictures.. The club will furnish the film and pay for the processing..
- Wayne Kabitzke gave an update as to the progress of the club Ice Breaker Brunch being held at Pine Knoll on May 4th. To date there have only been 5 sign up forms returned. Wayne asked that if you plan to attend please return form quickly so a final headcount can be turned in. A cost of \$10 per adult will be charged. A sign-up will be in the newsletter.
- The group was reminded of the Loyal Ford car show which will be held on April 20th.
- Scott announced the Dean Hillstead will be stepping down as the president and newsletter editor of our sister club the Badgerland Mustang. Dean and his wife will be moving to Florida to pursue a career opportunity.
- It was decided that time would not permit the purchasing T shirts for our 15th annual show.
- Things are looking up for the developing of the Mustang Museum. Ford has donated \$10,000. The W.E.M. should soon receive the plaque from the museum founders for our clubs donation of \$500. A second newsletter about the progress of this venture were sent to some club officers..
- Scott had a sign up sheet at the meeting for the purchase of a sweatshirt that has our 10th annual show emblem embroidered on the front. The cost will be \$45. Sizes range from small to XXX large. A sign up sheet was passed around at the meeting.
- Bob Zimmermann reminded all members to contact vendors in their area and try to procure some goodies for the show goodie bag.
- The meeting was adjourned at 7:35.
