PRESERVATION • RESTORATION • ENJOYMENT • DEDICATION • EDUCATION

## THE FEEDBAG

**From the Prez.**

**March 29 , 1999**

And the countdown has begun :-). We are about two weeks away from leaving for the 35th Anniversary Mustang Celebration in Charlotte, NC. We can hardly wait !! They are expecting over 3000 Mustangs to show up. It should be a BLAST ! I'll have a full report in the next newsletter, hopefully with photos :-)

Well it's hard to believe that Spring is upon us. I have started seeing Mustangs on the road , stretching their wheels after a long Winters nap. I can't wait to get ours out this weekend.

Not a whole lot going on in March. That is except for the annual WEM club dinner. Attendance was down from years past , with only a little over 30 people in attendance. For those that were there, it was a very nice time and the food was fantastic as usual !!! Our thanks to Sharon Doria for setting up the evening. All that were there had their fill of food and friendship. If you didn't make it this year, mark your calendars when next years date is announced. We'd like to fill up the room with Mustangers !

As you can see by the club calendar, the 17th Annual WEM All Ford Show & Swap is coming up quickly, June 6th. We are in the final stages of planning the event and we are looking for volunteers to help with the show. If you would like to help out the day of the show and cannot make the meetings to sign up, give me a call at 414-567-2622 and we'll find something for you to do. I'm sure this years show will be a big success with everyones help.

Last but not least , Tammy and I have an announcement to make. We are expecting a little Mustanger toward the end of October ! We can't wait :-). Well that's about all the time I have for now. I hope everyone is doing well and we look forward to seeing you at some of the upcoming club events :-). Take care and remember . . . . " Keep America Beautiful .... Drive a Mustang ! "

## FROM YOUR EDITOR

### CAR SHOW UPDATE

We held a short show meeting during our March monthly meeting. The results are printed in the minutes of this newsletter. We would also remind those who will be entering cars in the show to please do so early. It is necessary to make preparations for the entrants and the earlier we get a count the better. We are still awaiting from you for goodies for the goodie bag. A lot more suppliers have opted not to donate this year so we are counting on our members to help out by canvassing concerns they do business with. Please lend your support in this area. Contact Bob Z at 761-2007 if you have something for the bag

### CHECK OUT THESE WEB SITES

For those who are on line and enjoy surfing the net for Mustang Web Sites. Check this one out. A lot of interesting Mustang data. [WWW.MUSTANGMUSEUM.ORG.HOME.HTM](http://WWW.MUSTANGMUSEUM.ORG.HOME.HTM) . Then of course there is our web site. [WWW.EXECPC.COM/WEMUSTANGERS/](http://WWW.EXECPC.COM/WEMUSTANGERS/)

### TRUE MUSTANG LOVE

This article actually appeared in the Milwaukee Journal. Here is the gist of the article... Seems this fellow from Tennessee named Buster Mitchell, a die hard Mustang fan, was jilted by his girlfriend. On March 2nd he actually filled out an application for a marriage license to marry his car. The clerk informed him that Tennessee law allows only marriages between men and women. It didn't matter to Mitchell that had listed his "fiancés blood type as 10W30 and identified her father as Henry Ford and birthplace as Detroit, MI. After being refused a license he vowed not to give up. He claimed that in California same sex marriages are allowed so in Tennessee why can't we do the good ol boy thing and marry our cars and trucks. He said he was planning to try again at various wedding chapels in the Great Smoky Mountains -----Now that's a Mustang lover.

### LET'S GET TO KNOW EACH OTHER

It has become evident over the past couple of years that with the surge of new members joining the W.E.M. that very little is known about each other. For that reason I will run a column in the newsletter (starting next month) titled GETTING TO KNOW EACH OTHER. I ask that you all respond to the form that is attached at the back of this newsletter. Please fill it out and return it to me. What are your hobbies or interests other than the Mustang? What are the names of your family members? What is your occupation? How did you become involved with the Mustang? These are a few of the questions I would like answered. I believe it will create a better bond between our members

Until Next Month  
Fraternally Yours,  
Bob Zimmermann

# MINUTES FROM MEETING 3/29/99

- The meeting was called to order at 7:00 PM by Scott Moen
- New member Nico Hartzheim was introduced.
- No minutes from the previous meeting were read.
- Dick Doria gave the treasurer report. Club balance \$5,965
- The Club dinner was held on March 27th. 32 members were in attendance. It was reported that we were required to pay for 50 plates when booking the buffet. Even though the car show workers were treated to a free dinner the turnout was sparse. Thanks went to Sharon Doria for setting up the event. The food was great as usual. It was suggested that we look at this event next year and get a commitment as to avoid a poor showing.
- The ice Breaker Brunch run is set for Sunday May 2nd. The location will be the Interlaken Resort in Lake Geneva. Those who will be attending are to meet at Wauwatosa Saving Bank in Oak Creek at 9:30 AM. We will caravan down I94 and pick up the Midwest Ford club at Hwy 50. Time is short for responding so do so quick. Sign up in Newsletter..
- The day trip is still a go for May 16th. Scott will coordinate this event. Destination is unknown at this time..
- The topic switched to the upcoming show and swap being held on June 6th. Some of the topics discussed were
  - \*We will have award plaques instead of trophies this year. Sal will procure the plaques and Scott will take care of ordering the artwork for the plaques. A few 3rd place awards will be once again given out.
  - \* We will once again have the DJ 39 and Holding provide the music.
  - \*The swap area will once again be free to all.
  - \*Sal is looking into an outside vendor to supply the food service.
  - \*The classes will remain the same and there will be 29 classes provided
  - \* Changes to the parking will take place. Older cars in front this year..
- Dick Doria stated that he and Sal Lorino will run a recon for the June 26th-27th over the road 1 nighter. A report will be in the next newsletter..
- Scott reminded the group of the Bike rodeo and Car show which will be held in Watertown on June 12th.
- The meeting was adjourned at 7:50.
