

Hi Ho Mustangers,

4/3/08

I think spring has arrived. The ice and snow are just about gone again. I hope to get the car out in the next week or two. The past month was a bit quiet except for the club dinner. The food was the best ever and the company better. At the dinner we awarded the WEM Member of the year. I am proud to announce the winner, Scott Moen. Scott is celebrating his 20<sup>th</sup> year with us. Scott has work very hard on bringing hundred door prizes to the show over the years as well as serving as pres. for 12 years. I am very pleased that I was able to Award Scott with the WEM Member of the Year.

Also at the dinner Dick Doria gave out an award to Bob Zimmermann for all the years of service he has given the club. Bob is one of the founders of the club (1979) and has served on the board for almost 30 years. Bob recently cut back on board duties but, still does our newsletters. Thank You Bob!!!!!!!!!!!!!! The club would not be as strong as it is with out the type of leadership that Bob has brought to the board table.

Things are moving along nicely with the show. It was reported that pre registers are down a bit. This was blamed on the bad weather and not a lot of thoughts of cars while busting ice and moving snow. Food, music, and work assignments are coming together. We can still use more door prizes. Contact Debbie or Vern so they can get the donors names on the reader board.

Spring Jefferson is covered for flyers. We have members out on Sat. and Sun. Thanks to those brave soles.

Please check the newsletter for all the details on the up coming events like Ice Breaker Brunch Run and the Mississippi River Run. That is all for now more next month.

Yours in Stangdom,

Tom
