

Hi Ho Mustangers,

4/29/10

Things are heating up fast as the first outing of the year is upon us and that is the Ice Breaker Brunch Run. This year is the last year that Jerry & Kathy will be setting up this event and I would like to say Thank You for all the work that was put in to this event. This year we have 40+ mustangers set to go with 20+ cars. This will be a great ending for Jerry and Kathy. Thanks again.

The show is all set but, we still need more door prizes, Please get them to Vern or Debbie ASAP. I have cast the changes at the main gate and they will work great!!!!!!

Scott is working on final lay out of parking with the new lot set up at Ewald. This should be finish soon. This year we have set up on the Sat. before the show at 4PM as the service dept. is open. All other committees are ok. Any questions you may have, Call Jack or Vern.

Jeff has started to set the monthly car nights. The first will be May 19th so see the news letter for all up coming events. It is important to check the calendar as I do not always cover all up coming event in the cover letter.

The Fox Valley Chapter has their show June 20th. I think it would be great if we got a bunch of the Milwaukee members and went up to support them. Think about it with more details next month.

The Deerborn trip is well on track with Dawn at the helm. She has a great layout for the trip. Now is the time to make those plans and get them finalized as the hotel block is some what limited. See the news letter for all the details. After you book the hotel you will need to let Dawn know you are going. This time thing should be better as we will have CB's, GPS's, and cell phones. Well that's all for now, more next month.

Yours in Stangdom,

Tom

FROM THE EDITOR

The car show is coming, the car show is coming!

Well it's that time again....the WEM Annual All Ford Car show. For those of you that are new or have forgotten, the show is held at Ewald Venus Ford on Layton Ave in Cudahy. This is our big annual event. So it's time for all riders to mount up. Attached will be the final roster for those that have volunteered their time. Thank you in advance, we know it's a lot of work. It is appreciated!

It sounds like quite a few signed up for the Brunch Run. Thanks again to Jerry & Kathy for the years of doing a great job.

Also look for our Sister Club's Flyer for their annual Car show in this newsletter.

April 2010-Meeting Minutes

New Members or guest:
WELCOME!

- John Frost

1. 7:00 p.m. meeting started. New Member and/or guest were introduced.
2. Sharon Doria read the treasury report and Joan Searing read the March meeting minutes.

Old Business:

- Seminar: Held @ Dick Doria home 4/17. 8 to 10 members came for the Valve Train seminar. Glenn Oleson's car was used for the class.
- Jefferson: Jack Winter attended. He said there was lot of bad weather and it was very soggy, wet and cold. Lot of vendors, but most pulled out early due to the rain. Very little cars for sale in the corral. "Probably one of the worst Jefferson's ever."
- Ice Breaker Brunch run is expecting to have 40 adults and 1 child in attendance. May 2nd was the run, let's hope they have good weather.
- Car Show 2010: Everything seems to be in order. Set-up will be on Saturday @ 4pm. No service will be on Sunday....that's good. Tom Miller has printed plenty of class sheets for the main gate. Sal will be running the club table, so if you have any items that you would like to sell, please bring them. They do not have to be car items/parts. Anything goes, just make sure that they are priced for Sal. Trophies are complete!
- Detroit OTR trip: Dawn has registrations that are slowly coming in. She has a ton planned for the trip, don't forget to sign up. See attached flyer for more details.

New Business:

- June 20th is the Fox Valley Car Show. This is our sister club and it would be nice if some members would attend.
- 5/19 will be the first cruise night of the year. It's a Wednesday and will be at "Gasthaus" 2720 N Grandview Blvd, Waukesha. More cruise dates to follow.

3. Meeting Closed @ 7:27 pm.

As always, please check the calendar for dates and times. It changes monthly due to new and upcoming events and activities.

2010 Annual Calendar of Events

PLEASE NOTE: If you have anything to add please forward the information to me. We will add and make changes as the season progresses so keep viewing this calendar page monthly.
