**From the Prez.**

**April 24, 1995**

What's the first sure sign of Summer ? Answer, the first car show of the year. For those of you who didn't make it up to Loyal Ford's 3rd Annual Car Show the 23rd, you sure missed a great time. They had well over 200 vehicles in attendance and it seemed that everyone had a great time. Even the weather was beautiful. All in all, it is definately a show worth attending if you have your car out of storage in April.

For those of you who haven't had a chance to stop in at Ed Witt's new facility, you really should. The set up is great. Earlier this month, Dick, Sal, Tammy and I went over to see the layout of the new building. This is by far the best layout at a dealership that I've seen. By all indicators, we should have one heck of a great show this year! I also wanted to mention to those of you that haven't been able to attend the last couple of meetings, we still are looking for show help. If you can help, please give me a call at 414-567-2622 and I'll find a place for you.

So now that the show season is officially here, has everyone been outside in their garage getting the cars all set ? I know Tammy and I have been. And to tell you just what Tammy has to put up with, I asked her to help me clean up the underside of the car before we pulled it out. Yes that's right, I made ( excuse me : asked ) her to help me wipe down the floor pan under the car. How much more could a man ask for. According to some of the women that I work with, they said that request should have been grounds for divorce. I don't think so. All I can say is that I think I'm extremely lucky to have her and all the help she gives me. We made it through our first anniversary, even with the request for help on the car. Anyway.

Remember that we are less than a month away from our show so start the engines and lets have the best show ever. We look forward to working with Ed Witt's for a long time to come ! Until next time . . . Keep on Stangin.

# **MINUTES FROM MEETING HELD**

## **APRIL 24**

- The meeting was called to order by president Moen at 7:30 PM.
- Sharon Doria gave the club financial report.
- Mary Jo read the minutes from the previous meeting.
- Guest Mike Fielding , was introduced.
- A report on the Loyal Ford Car Show was given. The show featured all makes and models, however about 80% of all the show cars were Ford products. Overall it was a very nice show with approximately 200 cars on display. The weather was excellent. It will be a repeat for a club outing for next year.
- Moving day is planned for May 6th at 8:00 AM. It is necessary to move our show equipment from Schwister Ford to Venus Ford in Cudahy. All those willing and able to help should meet at Schwister Ford on Saturday May 6th at 8:00 AM.
- Dick Doria reviewed, in detail, the layout of the Venus Ford facility. He also pointed out where each concession would be located.
- It was decided that the dash plaques for our show will feature the '55 Thunderbird, in commemoration of the cars 40th anniversary. A Mustang will be on the plaque as well.
- Bob Zimmermann will check with Ruma Trophy on the cost of Plaques in lieu of trophies for our show.
- Dick Doria and Lisa Housey will repeat the tech Seminar on electrical systems old and new. The place will be at Dicks house, 2511 W. Carrington Ave. OC, The time is 11:00 AM on May 6th. This will immediately follow the move of our show equipment to Venus Ford. Any interested parties should call Dick at 761-2267.
- Anyone going on the Ice Breaker Brunch run May 7th should meet at Wauwatosa Savings Bank parking lot at 9:00 AM Sunday May 7th. The group will caravan to the Interlaken in Lake Geneva from this point.
- The day trip to VOLO antique auto museum and antique mall on August 5th has been set up by Jack Winter. The Badgerland Mustang club will join us on this outing. There will be an area set up for a picnic lunch for those who will attend. More info closer to the date..
- Scoops restaurant, located in Hartland, has contacted our club and asked if we would care to be the featured club in their Show and Shine event. This is a no frills no awards show that allows old car buffs to gather like they did in the fifties and hash around old iron stories. Scoops will donate a portion of any proceeds to a children charity. The actual date is pending our interest and participation. Let Scott know if you want to attend.
- It was decided that a final planning meeting for our show is not necessary. Any communications needed will come from committee people via telephone.
- The meeting was adjourned at 8:15.

## **TECH SEMINAR RESCHEDULED**

The Tech Seminar previously scheduled for March has been rescheduled to May 6th. Please call Dick Doria at 761-2267 if you plan on attending. The topics for the seminar will be electrical trouble shooting for Late and early model Ford products.
