" A Few to Preserve the Best "

From the Prez.

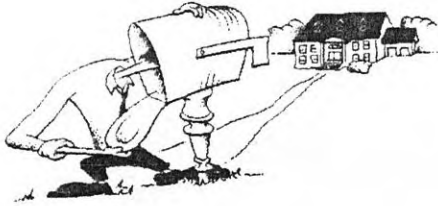

April 27, 1998

Happy Spring everyone ! I trust that you have all been putting the nice weather to good use :-). I have had to cut the lawn three times already. All because we use a natural fertilizer. His name is Rusty :-). Oh well , at least the lawn is green , if you know what I mean !!! Sorry, I couldn't help myself. Anyway

The car show is just a month away and everything looks to be on track for another good show ! Tammy and I were at the Jefferson Swap Meet this past weekend. It was very strange having nice weather on Saturday to walk around the swap meet. Don't get me wrong , we enjoyed ourselves and even found some NOS parts for the '84 Anniversary :-). You never know what you are going to get at Spring Jefferson. That includes the weather ! We did take the opportunity to pass out our show fliers. Hopefully this will bring in some additional vendors and car show attendees. We'll see what happens. Please remember, we are still looking for show help. If you did not make the meeting and want to sign up, give me a call at 414-567-2622 or e-mail me at anvpy@execpc.com. I hope that we see all of you at the show :-)

I'd also like to remind everyone that we have some fun outings planned for this year and we would like to see a record number of people turn out for these events :-). I know that everyone has a busy schedule. In fact it seems to get busier every year. But I know that Tammy and I will be making an effort to be at as many club events as we can. I hope that you can take a moment to look over the club calendar and make plans to join us for some fun :-). Remember, you can never have TOO much FUN !!!!

Well that's about all for now. Take care and remember to Keep on Stangin !!!

From Your Editor

1998 Car Show

It is time once again to start thinking seriously of our 1998 show. It is necessary for our members to give a concentrated effort to insure the success of the show. It starts with the set up on Saturday May 30th. In the past years we had enough help to allow us to complete the set up in about an hours time. We will meet at Venus Ford at 1:00 PM to get things rolling. Setting up of the tables, swap spaces, and concession stands will take place.

The day of the show we are always looking for extra bodies. There have been years where some of the volunteers did not have time to cruise the grounds and take in the show because they were locked to their booth. Please ask if you can assist the day of the show. An hour of your time may be all that is required. Let's work together to ensure it is an enjoyable outing for all our members.

Benefits of Membership

Being a member of the Wisconsin Early Mustangers is quite a bargain. Our dues, of \$15.00 a year, have not gone up since the club was founded almost twenty years ago. The club provides a monthly newsletter which keeps the club informed of events and happenings. We also provide a free classified ad service in our newsletter. This is open to all members and their families and does not have to be Mustang related. We also have an unlimited amount of technical support for those who have questions related to a Mustang restoration project you are concerned about. We also have canvassed a group of vendors who have offered our club discounts of various proportions just for showing your membership card. There will be an updated list printed in this newsletter. Finally you can get involved in road trips, ralleys, overnights and technical seminars with one of the finest group of people ever assembled. All as we need to make our club moving forward is for you to participate.

Are You on Line?

Last year our club purchased a Web Site and went on line. Below you will find our web address.

To access the W.E.M: <http://www.execpc.com/wemustangers/>

I would like to know how many of our members can be reached by E mail etc. If you have an address on line please forward it to me and I will pass along to our membership.

It's Cruise Time

A one day cruise has been set up by our cruise director Matt Nugent. The date Has been set for May 17th. Meet at Wauwatosa Savings Bank (Club Meeting headquarters) at 10:00 AM. The destination will be the Racine Kenosha area. Matt has promised some secret fun on this cruise.. See you on the 17th.

MINUTES FROM MEETING HELD APRIL 27TH

- The meeting was called to order at 7:00 PM by president Moen.
- Doug Dorn read the minutes from the March meeting.
- No financial report was given.
- A few of our members attended the Loyal Ford car show on April 19th. They were treated to a beautiful day. There was a very good turn out of show cars. Fritz Dowe took a second place trophy in his class.
- Wayne reminded the members of the upcoming Brunch Run which will be held on May 3. It will once again be held at the Pine Knoll. To date 43 people have signed up to attend. Meeting will be at the McDonalds on Highway 83 and I94. The group will depart promptly at 10:00 AM from that point.
- Scott attended the Jefferson swap meet. He stated that there were so many swap areas it was hard to catch them all in one day. He also passed out show fliers. Matt Nugent also attended and gave our fliers to vendors in hopes of snagging some of them to our show..
- Matt Nugent reported that a destination for the May 17th Day Trip will be to the Racine/Kenosha area. All those planning to attend should meet at the Wauwatosa Savings bank parking lot (Monthly Meeting Spot) at 10:00 AM
- Scott stated he will be asking Venus Ford to donate the money needed for the show trophies. He also reminded the members to continue to pursue various vendors which are needed for our show swap area.
- There was some confusion whether or not the Over the Road trip to the Mississippi River area will still take place on June 27th and 28th. This will be all straightened out by the printing of the next newsletter.
- There will not be a club meeting in May
- The meeting was adjourned at 7:25
