

Hi Ho Mustangers,

6/6/10

We are off and running in to the car season. The Ice Breaker Brunch Run started things off. I would like to say THANK YOU to Jerry and Cathy for setting up the outing for the last 10 years. At the Fox and Hounds the food and friendship was outstanding. The drive to get there was the best part of the run as it moved through the hills and valleys. Great Job!!!!!!!!!!!!!!!!!!!!

The car show was a winner this year with 298 cars and a ton of visitors. The weather was on our side with temps. in the 80's. The Lion's did not sell out of food this year as they increased their stock. There will be a very short meeting 30 mins. before the July meeting with the club officers and the co-chairs of show. This will be a recap of the show.

I would like to thank all the club members for their hard work with the show. The 6 months of planning really pays off. For all who worked the show check with Jack Winter to make sure that he has you signed in for your free dinner in March.

The Deerborn trip is almost here. I am looking forward to this trip as the last one 5 years ago was the best road trip I have ever been on. The sights and sounds are wonderful and the different things to do and see are fantastic. Dawn has been working on this trip a long time and I am sure it will be as big a hit as it was the last time.

I am happy to report that Dick Strack is recovering well after surgery. We all should wish him a speedy recovery. Please keep Dick Doria in your thoughts as he will be having surgery later this month. That is all for now, more next month.

Yours in Stangdom,

Tom

## Summer is here!!

The 28th Annual WEM car show went quite well. Thanks to all that helped put it together. The weather was great again this year and that brought the people and cars out.

Summer fun can finally start...if only the rain would stop once in awhile. By living in the area that we do, there always seems to be a ton to do. So don't forget to check the newsletter for events. On that note, gotta run. Have a fun and safe time this summer.
