June, 2018

Hello Mustangers!

**URGENT!** This is the last newsletter Karen is putting out. We need a volunteer to please setup and work the newsletter. Contact Tom or I for details. We will help the new person get off the ground. If we wish to continue to see our great newsletter, please consider this position.

May has been a good start to summer cruising, going out for something to eat and checking out car shows. Our annual Ice Breaker Cruise to Fox & Hound was a big hit. We had the biggest attendance ever. It was a beautiful day for a cruise and a fabulous breakfast buffet.

Our first club supported car show was with the Cub Scouts at Hoover Elementary. The Scouts did a good job putting a show together. They had food and evaluated all the cars and presented an award for best of show. GOOD JOB KIDS!

Then our All Ford Show. Setup went well. For those that hung around to help Ford Performance put up their display, we had Mmm...Mm.. Sheboygan brats, home made cookies, chips and beverages. The two Mustangs unloaded from the trailer sounded awesome! As for the show, mother nature had a different idea. The down pour during the entire show did put a damper on our attendance.

Our next event is Kitty's Run to Horicon Marsh on June 9<sup>th</sup>. RSVP to Kitty & Steve Klein by June 2<sup>nd</sup>. This is always a fun time to take out our cars for a cruise to Horicon. See the details on page 2.

See you on the road!

*Glenn*

## Ice Breaker Brunch Run to Fox & Hound

We had a great turn out for the annual Ice Breaker Brunch Run. The sun came out as we zigzagged our way through the Kettle Moraine to our destination. The sunshine made even the cool temperature feel spring like.

55 hungry Mustangers savored all the delicious entrees on the Fox and Hounds buffet and dessert tables.

Thank you Jack Winter for arranging the brunch and Roger Nickolas for leading the herd.

### Mini Car Show & Cub Scout Recruitment

7 WEM members cars and trucks were part of 21 cars shown at Hoover Elementary School. Many families enjoyed them. The show was to help register new Cub Scouts and teach the scouts what is involved in running a car show. The scouts provided hot dogs and chips for those showing their cars. They presented an award to the car judged best by the pack. Unfortunately it wasn't a Ford. The quote of the night was from a little boy as he walked by the Mustangs; "Hey dad, they all have horses on the fronts". 🐎
