"A FEW TO PRESERVE THE BEST"

THE FEEDBAG

June 3, 1984

From the Pres:

If you were at the May 25th Meeting you heard me say something like this, "Do you want to see one of the hardest working, dedicated bunch of car enthusiasts I've ever seen? Then just look in a mirror." I meant it. You people are just great. Our Schwister Show and Swap was a complete success, THANKS to all who participated. Let's do it again next year, if you're all up to it.

You'll notice a sign-up form elsewhere in the newsletter for our July 14 & 15th over the road trip. We are calling it our "Mystery Trip". Nobody other than Bob Zimmermann and myself will know where we are going. That includes Shar & Sue. All we'll tell you is that the destination will be approximately 120 miles from the Milwaukee area and that the accomodations will be nice. Of course the company will be great! Don't wait. We have to tie this one down quick.

Sunday, June 10th we are going to have another "Picture Day" at Harold Quirks house. Details on time and address further along in this newsletter.

By now most of you know that the ol' red stang is black. It was quite a change but it is back to the factory original for this machine. Now for sure I'll have to wash it more than I paint it! Plus at Halloween if Shar & I park our cars together on the lawn everyone will think they're decorations.

Keep the September Dearborn Trip and the August 12th Club Picnic in your schedules. Don't forget the "Mystery Trip" and above all "Keep on 'stangin".
