" A Few to Preserve the Best "

From the Prez.

June 1, 1996

It's hard to believe that the car show has come and gone for '96. With the exception of a little rain in the morning, the weather was beautiful. I couldn't believe that the temperature down at the airport was 89°. I thought it was a little warm. Officially we had 190 registered show cars. I was hoping for 200 -250 but maybe next year. All in all the show was a big success as usual. I want to thank all of the members who pitched in and gave us a hand with the show. As I've said before, without your help we wouldn't have a show. I did get a chance to talk with Ed Witt and he was very pleased with the turnout and is looking forward to next years show. If any of you happen to stop in at Ed Witt's, please take a moment and thank Mike Ciezki for his help in setting up the car show. He is our main contact at Witt's and continues to help support the club. I hope that everyone who came to the show had a good time. If you have any post show comments, please give me a call. We are looking at next years show already and appreciate any helpful hints. We also would like to thank all the sponsors that donated door prizes or trophy donations. Please take a moment to look over the list inside the newsletter. Please support these people like they help support our show.

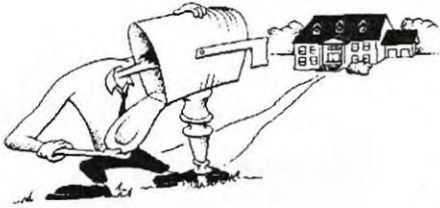

We are in the final count down to the Detroit Trip. We have 11 or 12 cars that are going on the trip from our club and the Badgerland Mustang Club. With probably 20 - 25 people. We were contacted by a gentleman that works for John Coletti in SVE and they have arranged a tour of the SVT Headquarters and some of the cars that they have done. Including John's '94 Boss Mustang. It should be a blast. I'll give you a full report in the next newsletter.

On a final note. I received a call from a club member this past week who informed me that Bob Fields had passed away. Bob wasn't a member of our club, but he and his wife attended our shows annually with their '68 Shelby GT350 and '69 Shelby. They weren't able to attend the show this year. We'd like to pass along our thoughts and prayers to the family. Bob will be missed.

Until next time . . . . Keep on Stangin !

*Scott*

# FROM YOUR EDITOR

## CAR SHOW 1996

Well another show has now become history. This was our second year with Venus Ford acting as our co-host. I for one think the move was for the best interest of the club. The new facility at Venus offers much more for our show cars. Being responsible for registration I find watching the cars arrive down that circular drive a particular thrill. This not only offers my registration team a insight to prepare for a rush of applications, but it gives us a preview of all the beauties that soon will be displayed on the lot. I was very happy to receive many good reports from those who enjoyed the show. I not only received compliments the day of the show, I also received four phone calls after the show from people who just wanted to state how much they enjoyed the show. There were a few concerns brought to our attention, that will be addressed and corrected before next years show takes place. One in particular was that a few people registered in the wrong class. The weather was threatening early Sunday morning. This possibly was the major factor keeping us from achieving a better turnout of cars. It appears that many show participants look at the early morning weather and decide, at that time, whether or not to head to the event. The day turned out to be great. Sunny but a bit windy. I was particularly please to see so many first time participants, Many of which were drawn from the far east side of the city. South Milwaukee, Cudahy, Oak Creek, and St. Francis were well represented. For those of you that like statistics I am including, below, a listing of data that you may find interesting to peruse. Once again we would like to thank all those who helped make #14 a success.

## 1996 SHOW STATISTICS

Number of cars entered = 189  
Number of first time participants = 75  
Number of Mustangs registered = 91  
Number of Illinois registrations = 14  
Number of Mustangs 1990-1996 = 23

Number of cars preregistered = 73  
Number of members registered = 32  
Number of cars earlier than 1960 vintage = 26  
Number of people participating 4 years in a row = 29  
Number of '65-'73 Mustangs registered = 52

## DONATIONS TO OUR SHOW

I did not, as yet, receive a final list of those establishments who supported our show through their cash donations for trophies. I will definitely have this information in next months newsletter. Remember to consider these concerns when you are in need of the goods or services they provide

Until Next Month  
Fraternally Yours,  
Bob Zimmermann

## SIGNS OF THE TIMES

In a window of a bicycle shop: "Cycologist on duty".

On a bakery truck: "Fresh bread loafing inside".

On a door of a watch shop: "Out to rewind. Back in 10 minuets".

In the window of a shoe repair shop: "We bring back departed soles".

On a road sign: "All in favor of saving gas raise your right foot".

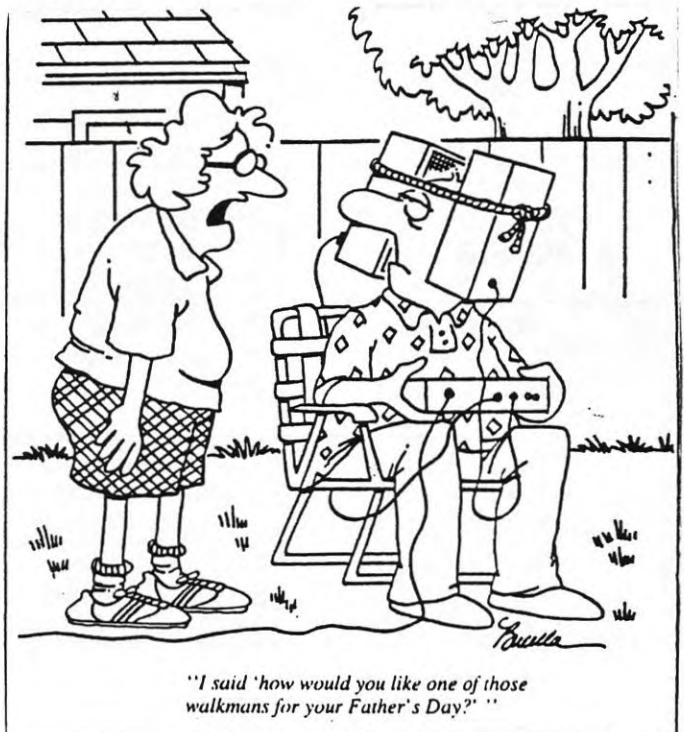

## WORDS TO THE WISE

If your stopped by the police, shut off your engine and put your mouth in neutral.

Before you borrow money from a friend, decide which you need more.

To make a long story short, tell it to your kids.

If your thin don't eat fast ; If your fat don't eat - fast.

Midwest Ford Club and Lyons-Ryan Ford  
present their eleventh annual
