" A Few to Preserve the Best "

From the Prez.

May 24, 1997

Just when you thought it was safe to go out to a car show , Mother Nature pulls a fast one on you. So goes the story of our 15th Annual W.E.M. Car Show. Talk about a complete about face from '96. Overcast , COLD ! , and a little rain mixed in just for kicks. With those points aside, our show wasn't as bad as it could have been. The rain did hold off until noon and it stopped about 1:30. We did manage to have 150 show vehicles attend the show and a few swappers also. I want to say thank you to everyone who braved the weather and came out to the show. I would also like to thank the many people who put forth a great effort and helped make the show a success even with the weather. We would also like to thank the many show sponsors who helped with Trophy Donations. Last, but definately not least , the whole club would like to thank Ed Witt and his people for providing us with a great facility to have our show at and to their continued support of our club ! I look forward to better weather and a successful car show in '98 ! For those interested, we are hoping to have a brief meeting to recap the show immediately after our normal June meeting. All are welcome to stay for it. We will let you know prior to the start of the June meeting.

One quick note, the day trip and the over the road trip that are on the calendar for June have been postponed until later in the summer. We will keep you updated.

Well that's all I have for right now. I trust that everyone is looking forward to all of the shows coming up. Tammy and I look forward to seeing everyone at these events ! Until next time Keep on Stangin !
