

Hi Ho Mustangers,

6-30-11

It looks like summer has finally gotten to Wisconsin. Before I leave for Iola I do need to tap out a cover letter for this month. We have a number of things coming up that I would like to highlight. We have 2 car nights coming up in July, Gus's Drive In on the 9<sup>th</sup> and Gus's Cantina on the 27<sup>th</sup>. Also there is the Soeren's Show 17<sup>th</sup>. The club members that offered to help Russ at this show should touch base with him just to be sure everyone is on the same page. On Friday the 29<sup>th</sup> we are having a show and shine at West Allis Mem. Hosp. to celebrate 50 years of serving the community. I have been asked to see if I could get a few cars there from 11am-130pm and 4pm-630pm, We can offer you a free BBQ and my thanks. Space is limited to 20 cars per shift so it is by reservation. Please help me!!!!!!!!!!!!

August has a few things that are worth highlighting like, The Marsh Run on the 7<sup>th</sup> and the club picnic at the Bing's on the 13<sup>th</sup>. Both of these outings have all the details in the news letter. The Masterpiece show is on the 27<sup>th</sup> and 28<sup>th</sup>. Mike Johnson is the contact for this show and is on their board. Jack Winter has 2 car nights for this month too. First is Heaven City on the 15<sup>th</sup> and Georgie Porgies on the 27<sup>th</sup>.

Dick Doria has found a great WEM blanket and we need an order of 25 to make the min. Pictures are in the newsletter. Dick also started the sign-up for Door Co. The rooms go fast so if you are interested in going do not waste any time and contact Dick, A.S.A.P. that is all for now, more next month.

Yours in Stangdom,

Tom

# The Wisconsin Early Mustangers

**From the Pres. (Retired, that is)**

June 27, 2011

Congratulations to all of you that helped make the 2011 show a success. Attendance was down, due to the threat of bad weather. We still had a magnificent show with over 230 vehicles. The new management at Ewald's Venus Ford was impressed with the way the show ran. Those are the people we have to please.

This summer (finally) is shaping up to be a lot of fun. There are all sorts of activities for our club members. Car shows and cruise nights by the bunch. Our club picnic on August 13<sup>th</sup>. And, don't forget, the just plain fun of driving those Mustangs. We sometimes forget that the original intention of building those cars was driving.

We have a new item that may be of interest. They are Wisconsin Early Mustangers throws. This is a custom woven blanket of the highest quality. Our club logo is proudly woven, big time, in the center. They will be priced at \$32 including tax and shipping. The only catch is we have to get an initial order of 25. Based on the response of those who have seen them, that shouldn't be a problem. I will be bringing the sample to the meeting tonight. This could be a nice Christmas or birthday gift for your favorite Mustanger.

We have had many inquires about the annual Door County trip. Starting at tonight's meeting and in this newsletter we will start sign ups. This will be the 30<sup>th</sup> year of the Door County run. We will commemorate the occasion similar to the 25<sup>th</sup>, with a special polo shirt. The club will pitch in, so the cost of the shirts (S-XL) will be \$10. These are a nice memento of our most popular trip.

In the next few months we will start an order for the club logo wear. It seems that July and August are a good time to get an order together for tees, polos, hats, jackets and sweat shirts. I will work up a price list just like the other years. Then at subsequent meetings and by phone or e-mail, we'll take orders.

Early this month I went through the fourth (and hopefully last) surgery on the left eye. Vision is slowly coming back, again. June 22<sup>nd</sup> Sharon went in for major surgery. She came through very well. She is healing good at this point. The most difficult thing is to keep her from her normal activities. Maybe after this, we can both start living like normal humans.

We look forward to seeing all of you in the coming months. Be safe my friends.

"Keep on 'stangin'".

## Giddy up-it's go time!

Well now that school is out and summer is finally here, there so much to do. Vacation, Summerfest, car shows, pool time...etc..... So many of us are busy, but we must remember to slow down a bit and enjoy the summer fun. As always don't forget to check the WEM calendar. This is where you will find other non-related WEM events. We do not have the space to advertise other flyers/events. There are plenty of WEM related items that need our newsletter space. Check your calendars!!!
