

The Wisconsin Early Mustangers

"A FEW TO PRESERVE THE BEST"

July 9, 1980

Dear Mustangers,

Just a short letter to fill you in on the last minute details of our Mississippi trip. Most of the items in this letter were worked out at our pre-trip meeting on Monday July 7th.

We will meet at the Wauwatosa Savings and Loan parking lot on 27th & College ave. at 9:30 A.M. Saturday July 19th. Departure from there at approx. 10:00. Any members having C.B. radios are encouraged to bring them along, as we expect to hear some friendly chatter along the way, plus keeping in touch among our own group.

It was decided that if the Merrimac Ferry is backed up beyond reason. we will take an alternate route. We plan on stopping for a short picnic-type cook out/lunch at the wayside just before the town of Gotham (about 30 miles after Merrimac). Everybody is bringing their own stuff, things to cook, sandwiches or whatever. There are supposed to be grilles available but we are going to bring our own, just to play it safe.

Once we arrive in Prarie Du Chein and get settled in to our rooms we will decide how we will split up the "car watch" through the night. We have enough people that each group of two will only have to spend an hour. An added plus is an all night resturant with a view of our parking lot, and they have good coffee.

We will be on our own once at our destination. There are some fine eating places and such in the area. We should have pretty much time to get to know each other on this trip. There should be some pretty good Mustang "Bull" sessions going during the course of our activities too!

We plan on leaving our motel to head North at approx. 9:30 to 10:00 Sunday morning. We decided to accept new member Mike Long's Grandparents hospitality and a cup of coffee at their resturant in Desoto, Wis. (about 30 miles North of P.D.S.) From there we will head North to La Crosse and then Home. We will talk about a lunch stop on Sunday.

Here's hoping for some great weather, and looking forward to a very nice time with all of you.

Yours truly

Dick Doria
