"A FEW TO PRESERVE THE BEST"

July 4, 1984

"THE FEEDBACK"

From the Pres.

We had about 15 cars show up for the July 4th Oak Creek Parade. Lots of good comments from the crowd and some more prospective members. After they separated the converts from the closed cars for staging they put us back together at the start of the parade. (Thank God). We make it very clear that anyone wanting us to appear takes us as a group or not at all!!

Last Saturday I made the mistake of telling Shar I'd follow her "orange 'stang" with the cycle so that I wouldn't lose her. After two hair raising hours at sometimes over seventy I decided to keep my mouth shut. We pulled into Oconto Falls to see her brother and then gas up. The pleasant surprise was gasing up that four banger poney and getting over 31 miles per gallon. That little 98 cubic incher really does a nice job. The 4:11 rear gears put the whole thing into proper perspective and it is much more driveable now. We also dropped the engine 1 1/2 inches deeper into the chassis to get a better trans output shaft to pinion shaft angle of inclination. The whole project is now showing it's true potential.

The Mystery Trip has been locked in at AUGUST 4TH & 5TH. Those who were signed up were notified of the final change. We are still able to accomodate a few more people. Call Dick Doria at 761-2267 and get your deposits in. This should be a good one for you camera bugs too! Come on, Get with it!

Don't forget our proposed Dearborn Trip on September 13, 14, & 15th. We will be starting to take deposits at the July Meeting. We really had a good time on our last one. We expect this years venture to be even better.

The club will again provide free beer and soda at the August 12th Picnic. Keep that date open and limber up for the annual softball game plus volleyball and lots of good fun. Willwood pard on Silver Spring Drive and 147th is the spot. (South side of street west of fire station). Hope to see you there.

After a fantastic show of solidarity at our show in May things are getting a little weak again. Take advantage of YOUR club. Participate! But, even if you choose to be a stick in the mud, we still care about you. So, have a good summer and "Keep on 'stangin'").

  
Dick Doria
