"A FEW TO PRESERVE THE BEST"

July 2, 1985

## "THE FEEDBAG"

From the Pres:

The location for this correspondence is the commuter terminal of Chicago's O'Hare airport. I'm on my way back to beer city from an assignment in Pen Argyl, Pa., a little town north of Bethlehem at the front of the Poconos. As per usual it's good to be going home again. Got to get the convert cleaned up for the Oak Creek 4th of July parade. Hope to see some of you there.

I hear that Bob Zimm really had his hands full at the June 24th Meeting. Chief cook and bottle washer so to speak. Thanks to Mary Jo Miller for helping out. I really do miss the meetings, but enjoy the breather once in awhile. (from the work part that is).

Saw the most immaculate burgundy '67 coupe sitting on the side of PA. Highway 512 about two miles south of my motel. I passed it up about three or four times then finally stopped to look. No rust top or bottom, six cylinder automatic beautiful black interior. No for sale sign though. One day after work I decided to walk down and ask the people at the closest house if the 'stang was for sale. Sure as heck I walked all the way down there and the car was gone plus nobody at home. Well maybe next trip?

Don't forget our annual club picnic on Sunday, August 11th at Willowood Park in Menomonee Falls. Free Soda and Beer again! Also, our annual Mustang "All Star" softball game in which Bob Zimmermann and myself propagate the six year old rivalry between our "hand picked" team of semi-pros. (In other words - I need all the help I can get!)

We're in the process of trying to tie together a day trip for late July or early August. I'd like to take the Zion, Illinois-Calderone and Lerner families up on their offer of trying to arrange a trip through the Zion Power Plant with a possible picnic or something in their area.

Got to get at the garage again. Almost had it earlier this year. Can't wait to get home. Keep cool, keep active and most of all "Keep on 'stangin'!"

Mini-minutes  
June 24th, 1985

Dick was out of town, so Bob Z. called the meeting to order. Kelly B. couldn't make the meeting, thank-you Mary Jo for taking minutes.

Sal Lorino reported the Schwister Show & Swap was a great success. The 1986 Committee will start planning at the October meeting. Everyone was encouraged to start looking now for things for the "goodie bags". And if you are interested in helping out in any way, please contact Sal.

Our Annual Club Picnic will be held August 11th at Willowood Park in Menomonee Falls, 147th & Silver Spring. Beer and soda will be provided by the club. Bring your own food.

A one-niter to Algoma area, Packer Hall of Fame, Appleton area, or the EAA Museum in Oshkosh, were suggested for October.

The Illinois members noted the Hosier State Car Show in Indy. (Indianapolis) on Sept. 20, 21, 22. Free show, 300 mile drive from Milw.

Congratulations Pete Yoss for completing the WHP '66 Mustang Convert. on display at the Southgate Ford Car dealership.

RAILROAD DAYS  
Rail America  
Green Bay, Wisc.  
July 20th & 21st

My mommy and daddy took me and my sister Beth to Rail Road Days. We went on the big train pulled by the same engine that pulled the Circus Train, and we saw lots of train engines and different cars. I could even ring the bells! The engine I like most was the electric one.

We went on a little train ride and Beth and I saved the gold from a train robber. We talked to an Indian and saw his village, and we even talked to a Hobo and saw his camp.

I saw some people dressed like soldiers fighting. There were some model trains to watch and my Grandpa bought me a belt buckel with the big engine on it.

I HAD LOTS OF FUN! I want to go back next time.

Little Bob Beauparland

Thank- you Teri Moore for setting up this event for us. Only wish more could have made it. It sure was a great time for us. You know of one family who is looking forward to maybe next year.

ARE YOU THE ONE?

Are you an "ACTIVE MEMBER", the kind that would be missed? Or are you just contented that your name is on the list?

Do you attend the meetings and mingle with the flock? Or do you stay at home and criticize and knock?

Do you take an active part to help the work along? Or are you satisfied to be the person who "JUST BELONGS"?

Do you work on committees? To do this is no trick. Or leave the work to just a few and talk about the "clique"?

There's quite a program scheduled that I'm sure you've heard about, and we'll all appreciate it, if you'll come and help out.

So come to the meetings often and help with hand and heart. Don't be JUST A MEMBER, but take an ACTIVE part.

Think it over, member, you know right from wrong. Are you an "ACTIVE MEMBER"? Or do you just belong?
