

The Wisconsin Early Mustangs

"A FEW TO PRESERVE THE BEST"

THE FEEDBAG

From the Pres.

July 3, 1988

A big thanks to "Red Rover", "Big Z" and the "Black Pony". Your company on the June OTR was very enjoyable. It was one of the smallest turnouts for an OTR, but one of the greatest in terms of fun and super good weather. Everything from the drive up and back, the ride on the paddleboat and the food worked out fine. We decided to rerun this trip again next year and try to encourage more participation. The accommodations at the Villiage Inn Motel were excellent, and the price was right. The thirty dollar range in this day and age for a clean spacious room is neat.

We are getting a pretty healthy sign up for the August 7th Elkhorn show, but we still could use more. You know that they are featuring Mustangs this year. We are one of the biggest clubs in this region and we could at least represent one of each model made. Look for the sign up in this newsletter, or better yet, call in your intentions to club headquarters.

Don't forget the club picnic on August 21st at Willowood Park. We will be reminding you again at next meeting and in the next newsletter. The tailgate party in September looks to be a good time again and you can't beat the deal. October will hold another traditional Door County trip. This was requested at the last business meeting. We were ready to pick on a different location, when the floor erupted. Seems as if I'm not the only one that likes to finish the OTR season in one of Wisconsin's most beautiful spots.

Got that old workshop/office all torn apart this weekend. I'm moving the office into the house and reorganizing the workshop. For the first time in years I can finally move around out there. I found more good stuff in the nooks and crannies. Now to the task of getting the new office organized. Should be leaving the Chicago apartment at the end of July, so here comes another load of stuff.

Been driving the old black convert every weekend since the June OTR. Guess I kept my promise to Shar for once. Also was thinking how nice it will be to see many of you more often as I return to a half normal "road" life, working out of Oak Creek. Be safe my friends and of course, "keep on 'stangin'".

FROM THE EDITOR:

It was a beautiful sunny morning on June 11, when 4 families headed for Waupaca WI. It was the clubs first over the road trip of the year. This was not a typical Mustang trip as we did not have one drop of rain the whole weekend. We also missed the usual long trail of cars that strung along down the highway. I must confess that we did not know what to expect once we arrived in the fair city of Waupaca, as no one was able to do a recon prior to the trip. So pot luck it was... This turned out to be one of the most enjoyable trips we ran. The prices were right for food, lodging and the boat trip. I would estimate that the entire weekend cost less than \$100 per couple. We were so excited about this area that we plan to run it again in 1989. So gang start planning ahead for the first OTR trip for next year. Maybe we will see the usual 10-15 cars streching down the road on the way to a real good time.

On a bit of a different subject I would like to remind our members about our free advertising policy in the monthly Feedbag. The past two months I have not received anything to place in the classified column of the newsletter. You can place an ad free of charge in the newsletter just by sending me the information. To try to spur more interest I am extending this offer to non members as well. So if you know of anyone who is in need of a car part or may have something of value to sell just fill out the coupon form below . Any ad received by the 1st of the month will appear in that months newsletter.

Well gang until next month
Fraternally Yours,
Bob Zimmermann

WISCONSIN EARLY MUSTANGERS 1988 CAR SHOW

With a helping hand from mother nature our sixth annual show and swap was the best one to date... This event was a success both financially and in the quality of cars participating. While our members pitched in to handle all phases of work needed to be done, I am especially thankful for the help we received from people from the Falcon club, Midwest Ford club, and the Early Sixties club. This sure gave me a nice feeling, and I hope we can reciprocate the favor. As mentioned in last months newsletter the show did run about as smooth as could be expected. Each area was handled exceptionally well. There definately is something to the saying, "Practice makes Perfect".

I would like to personally extend my thanks to all the committee members who assisted each work detail. A special thanks once again to our co-sponsor Schwister Ford. Let's not forget those who donated toward the trophy fund. It goes without saying that the show would not be possible without their help.

I would like to ask one more thing of our members. Let's not forget to patronize those who gave their financial support and make an effort to assist the other clubs that have assisted us in the past by offering to support and if possible help with their shows.

THANKS GANG FOR A JOB WELL DONE
Sal Lorino
