" A Few to Preserve the Best "

From the Prez.

June 26, 1995

We're Havin' a heat wave, a tropical heat wave. Come on, everybody sing. I can't speak for everyone, but I've had enough of this heat and humidity. I wasn't built for this type of weather. Thank goodness for air conditioners. It can't be too cold as far as I'm concerned, although I think Tammy would disagree. You know it's hot out when you have a convertible but you opt to use the air conditioning instead of dropping the top.

I trust that everyone is enjoying the show season. Speaking of which, Tammy and I had the pleasure of attending the Western Wisconsin Region Mustang Club MCA Show in LaCrosse this past weekend. This was their first show and was very well attended. They had approximately 65 cars. Most of which were Mustangs, but they did open the show to all Ford vehicles. Dean Hillestad, president of the Badgerland Mustang Club, was there and made the suggestion that since we have three Mustang Clubs in the state that are MCA regional groups, we should look at hosting an MCA National Show in the next couple of years. This show would likely be in addition to our annual show. We will be looking into this in the near future. If you have any suggestions, please let us know.

I did want to take a moment to bring up a subject that affects our club. We've been looking to try and raise interest in our day trips and over the road trips. We need to try and participate as much as possible all through out the year. We know that there will always be the chance that another activity will conflict with our outings, but try to make as many club functions as possible. Remember, the more people, the more fun ! Please take a moment and check the calender of events and see what's coming up in the future. If you have any questions about trips, you can reach Fritz Dowe at 414-268-0147. He's always looking for people to participate.

Well, keep yourselves COOL ! Until next time Keep on Stangin !

Scott

MINUTES FROM MEETING HELD JUNE 26TH

- The meeting was called to order by president Moen at 7:30 PM.
- Dick Doria gave the club financial report.
- Jeanette read the minutes from the May meeting.
- Scott received confirmation of our acceptance to the Mustang Club of America. We are now a chartered regional group. If you would like information about becoming a member of the MCA contact Scott.
- 3 cars went along on the Overnighter to Fond du Lac. 2 from the W.E.M. and one from The Badgerland club. A nice route was laid out for the scenic trip through the back roads of the area.
- The trip to Oshkosh and the EAA Museum was attended by 2 cars from our club. The museum tour was loaded with memorabilia of aircrafts from years gone by.
- A few of our members attended the Ford show at Stumpfs in Appleton, There was strong competition from the 70 cars that were entered.
- An update for the day trip to Volo and the antique mall and classic auto museum on August 5th was explained by the organizer Jack Winter. This will be a joint trip with the Badgerland Mustang Club. There will be accommodations for us to picnic on the grounds. Plans include a stop in Richmond, to do some antiquing, on the return trip. More information and flier will be in this newsletter.
- A few of our members attended the Show at State Fair Park. It was a bit of a disappointment. There was only 35 trophies awarded and the class assignments left a bit to be desired.
- The club picnic was held on June 25th at Willowood park. The turnout, again this year, was very light. Only 7 cars and about 15 people. It is doubtful that we will have a picnic in future years as the interest has not been strong and attendance has dropped way off over the years.
- The club was reminded of the upcoming Vintage Car Show held at Brooks Steven's Museum 10325 North Port Washington Road in Mequon. The date is Sunday August 6th 10:00AM to 3:00PM. The Mustang is the special featured car. A donation of \$7.00 per car or \$5.00 for the Featured Mustang for those pre registered by July 31st. Send fee to Kathy Mirocha 1361 S. 56th Street West Allis, WI 53214.
- We have received verbal acceptance of our application to the Mustang Club of America. If anyone is interested in joining the MCA please contact Scott for details. Annual dues are \$30.
- Anyone interested in attending The Wisconsin Dells show on August 27th should contact Scott. An overnighter is being planned and room reservations have to be booked soon.
- The members were reminded of the Midwest Ford club show and swap held in Antioch IL on August 20th.
- The meeting was adjourned at 8:15

CLUB JACKETS

We are planning to place another order for club jackets. It is necessary to have order in quantities of 12. The jackets are lined with the 10th anniversary car show emblem embroidered on the back. The cost is \$70 each. If interested fill out the information below and send to Scott Moen 1122 Hubbard Ct Oconomowoc WI 53066. SEND BEFORE 8/15/95.

**THE ROAD TO VOLO
SATURDAY AUGUST 5TH
MEET AT HWY. 164 & I-43 McDONALDS
175 COLLECTOR CARS AND 80,000 SQUARE FEET OF ANTIQUES**

The trip to Volo will take approximately one hour. Once there, we will be allowed to park on the grounds rather than the public parking lot. No reason not to bring your Mustang or classic car. Participants may bring their own food and drink and picnic on the grounds. There also is an excellent Deli available for sandwiches. Admission to the Museum is \$3.50 for adults; \$2.50 for seniors. If we have 20 or more attending we will all get the reduced rate. There is no admission charge for the antique mall. There is also an "automobilia" gift store on site. We will leave for our return trip at 2:30PM. Those wishing to make a stop in Richmond IL can do so. Richmond also has antique shops, a leather good shop, and an old time candy store, pharmacy, and ice cream shop. We will leave Richmond at 4:00PM for our journey back home. The members of the Badgerland Mustang Club will be joining us on this outing.

1995 W.E.M. CAR SHOW

From The Pres. (retired that is)

June 26, 1995

Hello again Mustangers, where are you hiding this summer. We just had the most wonderful time up in Fond du Lac area with the Badgerland Mustang club. The only problem was: there was one of theirs and three of our cars. The drive and the weather were beautiful. We went on a prepared tour through the breathtaking countryside. Made quite a few stops along the way as part of the package. It was nice as it was, but could have been a blast with more people.

Had the rare opportunity to view the private collection of Jim Baldauf. This would have knocked your socks off. Most of his iron was non-Ford, but oh how beautiful. He was such a nice guy. Shared every square inch of his facility with us. This guy is one of Fond du Lac's best kept secrets.

As we proceed down the path to becoming a dormant, do nothing organization, I have some thoughts. First, We have always asked for ideas from the membership. This has resulted in the likes of the Volo, Illinois trip this August 5th. Hope we have a good turn out for that. Second, maybe we should organize smaller events on an invitation only basis. In other words, if you can't have them, will you want them more? Third, maybe we should be happy to be a "yearly show", very few event club, and let it go at that. Or the ultimate, disband the Wisconsin Early Mustangers, before we make fools of ourselves. After this we could organize a club for the Preservation, Restoration and **Enjoyment** of Mustangs, (does anybody turn a wrench anymore?)

Comments welcome. "Keep on 'Stangin'".

Dick Doria
