"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

June has been a wild month. First, it was dry, then rain the last week or so. But there have been plenty of car shows to get out and enjoy. A popular one out in Waukesha has been the Wednesday evening show at Foxx View Lanes. They have had superior numbers of cars. They offer food, a free raffle ticket for ever car that comes in and they have live bands. So, if you are out that way, drop in for a good show! For other shows going on be sure to check out Wednesday Night Classics online.

Sounded like Kitty's run was a HIT! Those that attended had a great time! White River County Park is really nice! Thank you, Kitty, for setting up another fun cruise!

There are loads of shows coming up in July like, Holz Motors Classic Car show in Hales Corner, the Iola Car Show & Swap Meet, the Soerens All Ford Show in Brookfield and Summer Elkhorn Car Show.

It may be a ways out yet but be sure to mark your calendars for the WEM Club Picnic on September 11th. Roger is bringing the 'dish to pass' sign-up sheet to the next meeting. And don't forget about our always fabulous Dick Doria Door County Cruise coming up on October 1st – 3rd. See the flyer for details.

If anyone runs across an interesting show in your area, contact me with the information (hopefully with a show flier) and we can note it on our club website and Facebook page.

What do you want?..... A Faster Horse!

Glenn

FORD PERFORMANCE

Ford's new 2022 NASCAR Next Gen Mustang recently took to the track for the first time since being unveiled publicly last month as part of a two-day test at Charlotte Motor Speedway. This Mustang is all-new with many technological advancements, including independent rear suspension, rack-and-pinion steering, 18-inch aluminum forged wheels, and a symmetric body. The car, which was driven by David Ragan, is preparing for its on-track debut during Daytona Speedweeks in February.
