"A FEW TO PRESERVE THE BEST"

August 2, 1986

THE FEEDBAG

From the Pres:

This edition comes to you from Indianapolis, Indiana. Mike and I are here for a Fairlane and Comet National meet. There were some absolutely beautiful machines that made this event. The turnout was not as big as our show but the quality was great. Got a few ideas in their hospitality room. We never saw so much literature in one place at one time. We did get to make a side trip through the Indy 500 Museum and a riding tour of the famous 2 1/2 mile oval track. Very impressive!!

Most of you know we have a small but very active group from the Zion Illinois area. These people make most of our meetings and many of our club events. Well, they are helping to organize an all Ford Show in Waukegan, Illinois on the 7th of September. We would sure like to return some of that support that they always give us. We were planning to make their show anyway, but we thought it would be a good excuse for a short tour and one night Over The Road. So we are going to take a slow ride to the Rockford, Illinois area on Saturday, stay at the Sweden House Inn that night, then motor over to the show in Waukegan Sunday morning. Those who don't make the one nighter and still want to help us out with show participation will meet up at Wauwatosa Savings and Loan Sunday morning at 8:30am and motor down to the show site as a group. Let's pitch in and show the Lerners and Calderones that we appreciate their efforts. Look for the sign up slip elsewhere in this newsletter and fire it off quickly.

Hope to see many of you at the club picnic on the 17th of August. We have a donation of at least 5 dozen ears of corn from the Lorino's. That in addition to the beer and soda provided by the club should at least get you started.

Three a.m. will roll around pretty early. That's when we plan on returning to headquarters. See you all soon. Always "Keep on 'stangin'".
