

Hi Ho Mustangers,

9/3/11

I am sorry to report that I could not make the last meeting as I was working 2nd shift. I will try to add a bit to this months newsletter. I did get to 3 outings last month !st being the picnic at the Bing's. We had a bit of rain as we were sitting down to eat but after that it was just cloudy. As always the picnic was a blast and a big WEM thank you to the Bing's for hosting. I also made the Heaven City car nite with about 15 other cars. The food and cars were great and this is one of my favorites. To round off the month I did make the Masterpiece Show and as always some awesome cars. We did have an interesting group of WEM, SVT, and a few non-members in group. All in all a great day although a bit long.

The car season has about a month and a half left and I will try to hit as many as I can starting with the Lionfest this weekend And the CCCC show at Shopco in Racine. There are a few weekly shows going on but they will all finish up this month. We also have fall Jefferson the last weekend of the month. Where has the summer gone, for me I think I worked it away!!!!!!!!!!

There is still a bit of time to get in on the Door Co. trip. I will make the the drive as far as lunch and head back to town as I will have to work the weekend. This work thing just keeps getting in the way. Sue and I will miss all of you on this trip as this is the first one we have missed in 10 years. Toys for Tots will be collected at the November meeting at the New Berlin Ale House as I understand. That is all for now, more next month.

Yours in Stangdon,

Tom

FROM THE EDITOR

Labor Day is in sight!

If you can believe it, summer is winding down. This weekend is Labor Day Weekend and most of the youngster have headed back to school already. Wow, how time flies. We still have a month or two left before we'll have to put our car in for the winter. There's quite a few car shows this weekend and don't forget Door County. Especially that awesome lunch that we stop for. Just thinking about it is making my mouth water.

I want to thank the "Bings" for this years picnic. I was no able to make it, but I heard it was really nice.....after the rain had stopped. What's a picnic without the threat of rain and bugs. Thanks again!

Have safe & great Labor Day Weekend!!
