

The Feed Bag.... what happened and what's happening

"A Few to Preserve the Best"

Preservation - Restoration - Enjoyment - Dedication - Education

Hello Mustangers!

*September sure blew by FAST! Here it is in late September, leaves are already changing colors here in southeastern Wisconsin and cool temperatures are around us. It looks like our **Dick Doria Door County Color Run** is going to have fall colors at their peak. All is set at Susie's Place for lunch on Friday. Saturday evening dinner arrangements have been made at the Nightingale Supper Club. It will be a great time. Do not forget to bring warm cloths. It will most likely be cool.*

At 6:30pm on November 30th we are holding our annual events planning meeting upstairs at Joe's K Ranch. We will go through the 2021 calendar noting upcoming club activities. This is your opportunity to champion a club excursion that you always wanted to do! Check out the event flier inside the newsletter.

*For those interested in running for or nominating someone for a leadership position for our club, nominations **MUST** be in to Tom Miller on or before the October 26th meeting.*

All those interested in joining our great car show team are invited to join us on December 5th to go through our plans for the 2021 Wisconsin Early Mustangs All Ford Car Show. Watch the newsletter and website for the time and location.

See you on the road!

Glenn

Iola

IOLA'S FIREFIGHTING HERITAGE

THREE CITIZENS
ADMIRING IOLA'S THEN
NEW EAST STATE STREET
"ENGINE HOUSE" AS IT
APPEARED SHORTLY
AFTER ITS EARLY 1901
COMPLETION.

The Iola Village Board at its September and October, 1892, meetings appointed and adopted a fire protection resolution committee report. At its subsequent Nov. 4 meeting it paid a \$22.62 bill for the purchase of ladders; at its Feb. 4, 1893, meeting it paid another bill of \$6.75 for the purchase of two dozen buckets. Thus, the Iola Fire Department was born as an informal ladder and bucket brigade.

In 1894 and 1895; a "Watch House" was authorized and constructed for \$238; the village's electors authorized the installation of a fire protection system; an offer and settlement was made to acquire a chemical engine from the Chemical Fire Extinguisher Company; provisions for establishing a temporary Fire Company were adopted on Nov. 18, 1894; arrangements were made for the chemical engine to be stored and cared for by the Frogner Brothers; a village Building Ordinance was adopted on Feb. 19, 1895.

The Iola Volunteer Fire Company was organized on October 6, 1896. With the turn into the new century the village exchanged its chemical engine and \$900 for a W.S. Nott Steam Engine, and related equipment.
