

Hi Ho Mustangers,

10/28/10

Well the season of car shows is over for the 2010. It has been a great year for all. I got an E-Mail from The Wisc. Ford Club asking some of our members to help with their show in the up coming year. They feel 8-10 people to help park cars would do it. I will be there to help. The flip side of all of this would be WFC will not do the show and an all make show would take it's place with AACA running it. WFC has had this show for as long as WEM has had a show and I would hate to see an all Ford show get replaced by an all make. If you are interested in helping WFC keep their show please contact me before the November meeting. Thanks for your help.

The Door Co. chicken feast and over night trip was a smash hit. Not only did 58 members dine on some of the best chicken I have ever had and enjoyed some of the best weather. Sue and I even took a scenic boat tour in the bay and enjoyed temps pushing 70. It was great to see some of the islands and get more history on THE DOOR. Saturday night dinner was wonderful as always. Next year will be the 30th year and Dick is already thinking about some shirts like the ones he had done for the 25th. Can't wait for that one!!!!!!

After a long, long, long wait I can say that the 68 is done. I will be picking up the car tomorrow and need to finish up a bit of interior work. I have maybe 6 more hours of work to finish. It is bitter sweet as I will not have time to enjoy it this year but, it will be ready for next year. The first outing should be the brunch run.

Please keep Bob Z. in your thoughts as things are not going well. Bob and his family need all the support they can get to get over this hump. I am sure all of us, wish all of them a good out come.

That is all for now as I need to start packing for the SEMA Show. More next month.

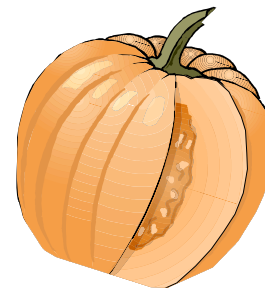

Yours in Stangdom,

Tom

P.S. Jonathan Doria graduated USMC boot camp and is doing great. I spoke with him this PM and will be in town Saturday for 10 days or so. Nice doing JARHEAD.
