

# THE WISCONSIN EARLY MUSTANGERS

November 14, 1979

The November meeting of The Wisconsin Early Mustangers was called to order at 8:07 P.M. by President Dick Doria.

President Doria welcomed members and prospective members and was delighted with the good turnout.

The first order of business was the reading of the minutes and treasurers report by Secretary / Treasurer Bob Wroblewski. Hearing no corrections or additions to the reports, they stood approved as read.

The second order of business was old business.

President Doria stated he received our National Charter which was passed around for all members to see.

It was then agreed upon to keep members of The Mustang Club of America in our area informed of our actions through one more meeting. After that they can contact President Dick Doria at 2511 W. Carrington Ave. Oak Creek, Wis. 53154.

President Doria then reported on discounts which were acquired through local businesses. A sheet containing the names and addresses was handed out to members. This list will be updated as additions are made. It was noted that when requesting these discounts, your membership card should be presented.

It was brought up that we are still looking for ideas for an emblem and moto for our group. Any ideas should be brought to our next meeting.

The election of a representative to the National Board was unanimously won by Lew Tripi.

A list of tentative bi-laws was read by President Doria. It was noted that these are open to changes and additions and that the bi-laws as a whole will have to be approved by the membership in the future.

Future activities, projects and goals for our group were then discussed openly.

The next order of business was new business.

Bob Zimmermann stated that he could have letterheads and other printing done should we decide on an emblem and moto for our group.

Bob Zimmermann then stated that we should all encourage membership in our group and that he would like to see our membership up to 50 members by June of 1980.

The next meeting will be held at Bob Wroblewski's house at N. 59 W. 18100 Spruce Lane in Menomonee Falls. The meeting will be January 9, 1980 at 8:00 P.M.
