

The Wisconsin Early Mustangers

"A FEW TO PRESERVE THE BEST"

THE FEEDBAG

From the Pres.

October 26, 1987

Just got back to the Bensenville apartment after leaving our club meeting. Sure was a nasty night, lots of rain on the way back. Had a lot of time to do some serious thinking about tonight's meeting. I was honored to be nominated for a third term as your president. The rest of the officers were also renominated. We are pleased that you seem to be happy with our administration of your club. If elected next month we hope to continue in that tradition.

Sounds like Tom Buttram has done a nice job in organizing the club's annual dinner. The cost is within reason for today's market and the place has live entertainment. There should be a sign up form later in the newsletter. Get it in as soon as possible to make Tom's job a little easier. On the same note, Bob Zimmermann is doing his best to give us another fine fun-filled bowling outing. He also asks that you get in your signups as early as possible so the prizes and such can be purchased.

The first meeting for the Schwister Ford Show will be at Sal Lorino's house on Sunday November 8th at 7:00 P.M. Anyone who wants to pitch in, or doesn't like something about the show should appear at this meeting. This is usually where the classifications are set and the format is set for the show. We need some suggestions on how to spice up our swap meet area this year. That area is one of the big revenue raisers at the show and we don't want it to go flat.

The Mustang II project has hit an unforeseen snag. We can't seem to come up with a stick bellhousing for the 289. It has to be from a cable clutch 302, 1975 or later. Other than that we should be getting close to fire-up time. Can't wait to drive this one.

Better hit the sack. Close to midnight and 4:30 rolls around too fast it seems. Try to keep in touch as the weather gets colder. Get yourselves ready for a good new year as an active member. Stay warm gang, and as always, "keep on 'stangin'".

Dick Doria

From Your Editor

I would like to thank Mary Jo Miller for assisting me in putting together a list of parts vendors who will give our club a discount on parts purchased through their outlets. This list can be found further on in this news letter. Our intent is to keep this list growing and can only happen with your help. The next time you are dealing with a parts outlet that has not already agreed to give our club a discount ask them if they would consider doing so. Forward any new names to me and I will add them to our list. I have also contacted California Mustang and offered them plan that would have our club funnel all orders through one source on a monthly basis. This club order would then be placed through them with the understanding we would receive a discount by doing so. California Mustang recently replied that they would be interested in participating in such a plan and gave me a contract to fill out. We will discuss this at the November meeting.

Now for the results of the nominations for club officers that took place at the October meeting.

CLUB PRESIDENT

Nominated: Richard Doria (accepted nomination)

Nominated: Sal Lorino (declined nomination)

CLUB VICE PRESIDENT

Nominated: Robert Zimmermann (accepted nomination)

CLUB SECRETARY

Nominated: Mary Jo Miller (accepted nomination)

CLUB TREASURER

Nominated: Sharon Doria (accepted nomination)

All nominated officials would like to thank you for the support you have shown. And will make an effort to carry on the duties of the W.E.M. in the tradition the club would expect.

We also decided to allow all members to participate in the voting as was previously planned. You can submit a write in candidate if you elect.

Until Next Month

Fraternally Yours,

Bob Zimmermann

MUSTANG PARTS VENDOR DISCOUNT LIST

The following list of vendors have agreed to offer our club a discount on parts purchased through them. All you would have to do is present them with your active W.E.M. membership card to receive a club discount on parts. The discount will vary based on parts purchased and quantity. The majority of vendors listed deal in mostly mechanical parts, but you may be able to get other parts through them as well. In most cases a 25% discount was offered. In order to keep this list growing I will ask for your help. The next time you purchase parts from any concern other than those listed ask them if they would consider giving our club a discount. If they agree to do so contact Bob Zimmermann and I will add them to the list. Let's keep the list growing.....

Bowling

2nd Annual Gimmick Bowl

FUN Bring a Group

PRIZES

DATE: SUNDAY FEBRUARY 21 1988

TIME: 1:00 PM

PLACE : OAK CREEK CLASSIC LANES

2ND ANNUAL W.E.M. GIMMICK BOWL

This may seem a bit early to announce our club bowling tournament, but the planning and the ground work required to put together a successful tournament takes months of work. The earlier I can receive a commitment in the form of an entry fee the more time I have to shop for prizes at discount prices. This ultimately means more prizes. So please respond A.S.A.P. if you are at all interested.

For those of you who did not participate last year I will just say that knowledge of bowling is definately not a criteria for entering. The prizes are distributed in a unique fashion based on score numbers not on how high your score was. Like any other club function it is open to friends and relatives. THE MORE THE MERRIER

The lanes we bowled at last year are the same lanes we will bowl at this year. The house has changed management and the new manager has offered some new incentives to bring our group in for this tournament. So please fill out and send to me the attached coupon as soon as possible.
