

Hi Ho Mustangers,

10/28/08

The car season is just about over for the year. I have put the '66 away and the '68 is still in the shop. I hope to be getting her back soon but it is nice to park in the garage for a change. I caught a bit of a bug last weekend in the twin cities and have been so sick as not to make Monday's meeting. I hope to heal fast as next weekend it is off to SEMA.

The Door Co. trip was a smash!!!!!!!60+ mustangers were there and had a great time. A big WEM Thank You to Sharon and Dick for all their efforts in setting up this event. I can not wait for next year.

The November meeting is going to be at The New Berlin Ale House again this year. Jack Winter has made all the calls and we are good to go. Please see the news letter for all details. This as in the passed will be our planning meeting so please come with your ideas and we will put them on paper.

December 7th is the first car show meeting at Jack Winter's home. All members interested in coming should not hesitate to attend. Every year we look for feed back and input to make the show even better. Details in the newsletter.

December 9th is the Toys For Tots party at The Cameron's home. Last year we had a pretty nice pile of toys for the kids. This year I would like to see an even bigger pile. All the info is in the newsletter so I hope to see you there. We spend a lot of time and money on our cars so please help and share some of your time and money on this worthy cause.

That's all for now, more next month.

Yours in Stangdom,

Tom

This includes the Fox Valley group. This does not include any new members who sign up in 2009. The motion was put to a vote and was unanimously passed.
