

Hi Ho Mustangers,

12\5\11

Well folks the car season is over for another year and I hope the cars are all tucked away for the long winter's sleep. Sue and I have taken advantage of the weather and got all the yard work done and got the cars put away. Now it is time to set up for the holidays. The first order is to wish all of you a happy and healthy Christmas season and we hope you all get the mustang goodies you all want. Now on to the hard core club stuff.

The SEMA show was great this year with a ton of stuff to see. One of the new things I saw was a new re-popped 64-65 convertible mustang body. It looked as good as the 67-68 fastbacks that have been done for the past few years. This trip I got to see the APEX show and saw a few interesting things like a new plastic head restorer kit. All I can say is WOW!!!!!!

We did have the Planning meeting this month with the elections of club officers and the results are in. The new board for the next 4 years is: Tom Miller- Pres., Jim Sommerfeld- V.P., John Falkner-Sect., and Sharon Doria- Tres. I would like to thank Jeff and Joan Searing for their term as club officers. Joan had some very big shoes to fill after taking over from Zimmie and did a great job making it her own. Jeff did a great job as my right hand man and will be missed at the head table. Thanks again.

We had the show planning meeting on Sunday and we have added what we hope will be an added feature, The Milwaukee Mustang Cheerleaders. Dick and I have met with management of the team and are working out the details. All the details of the show meeting are in the newsletter. It looks like the food vender will stay the same but for the kettle corn guy. I think I have found someone else. Will that is all for now, more next month.

Yours in Stangdom,

Tom

FROM THE EDITOR

Passing Off The Torch!

Well it's time to pass my secretarial/newsletter editor role on to John Falkner. I wish John all the best and hope that I will be able to guide him. The newsletter editor is a hard, time consuming job that I didn't really know about until I took it over. For all the good praise that I received, it only took one bad comment or complaint to undo. I want people to know that this is supposed to be a hobby and not to take it so seriously. It's very hard to please everyone and complaining really makes a person start to hate their hobby. Please remember that all board members do not get paid for all that they do. Try to treat them with respect, they deserve it. You don't know exactly what they all do for the club until you walk in their shoes. Think before complaining about something that probably really doesn't matter. We all have a life outside this club and any extra work for the club should be praised. With all this said, I'd like to thank those who have worked hard for this club. My hats off to you! Keep up the good work.

Welcome our new VP-Jim Sommerfeld and Secretary/Newsletter Editor-John Falkner to the board. Congrats!!

Searing-out!!!

Election Results!
