The Wisconsin Early
MUSTANGER

Volume 16, No. 11

November 30, 1994

I don't know about the rest of you, but I still can't believe that the Holiday Season is upon us. Tammy looked at me last weekend and said . . . " Lets put up the tree ! ". I guess that is a sure sign that it's beginning to look a lot like Christmas. Yeah I know, what a corny phrase, but I couldn't resist. We've also made a resolution to get all of our Christmas shopping done in the next 2 weeks. We'll see if that holds true. Does everyone have their Christmas lists done for Santa ? I hope so.

For those of you who weren't able to make it to the November Planning Meeting, we have a lot of fun things coming up for 1995. As usual our show will be the third weekend in May. We are also going to try a couple of one night over the road trips this next year. We have not had that good of a response for these trips over the past couple of years and we would like to see that change. We'll be appointing a Trip Chairman to put together a small group of members to help plan these trips. We are also going to plan 2 or 3 day trips like we've done in the past. Each trip will be planned by a specific person who will run the outing. What we are trying to do is get more people involved in the club. There's a major that we have that people are getting away from driving their cars. You know that these cars are made to be driven and that's what we'd like to see more of. The last thing that we want to see is the club get stale because no one wants to take their cars out except for the shows. Remember that the main thing is to enjoy the cars. Along the same lines, Dean Hillestad has taken over the reigns of the Badgerland Mustang Club based out of Madison. Dean is a member of our club also and would like to see if we'd like to schedule a joint outing between the two clubs. This was discussed and we will be in contact with Dean to set something up. Also we would like to wish Dean good luck with the Club. We're sure it will prosper and grow with his guidance.

As a final note, please remember that we will have no meeting in December. The next meeting will be January 30, 1995. However, the first Swap Meet of the year is January 7 at the Waukesha Expo Center. We will have a Club table set up and we will be distributing show flyers and club information. So if you are attending, stop by and say HI. Also I am still looking for current members who are also members of MCA. To date I have only received six responses from everyone. So please give me a call or drop a note in the mail with your MCA membership number. Thanks. And from Tammy and Myself, we'd like to wish everyone Happy Holidays.

Until Next Time . . . Keep on Stangin !

Scott & Tammy

9TH ANNUAL GIMMICK BOWLING PARTY

DATE: SUNDAY FEBRUARY 19, 1995
TIME: 12:00 NOON
PLACE: CLASSIC LANES OAK CREEK
 (2 BLKS SOUTH OR RAWSON ON HOWELL)

It's time once again to start thinking about throwing that round black ball down the lane. I have reserved all 20 lanes at Classic Lanes for our annual outing. It has been a sellout the last three years so I suggest you respond early to insure a spot. The main prize is valued between \$150 and \$200. Your chance is one in eighty to win the main prize. In addition to the main prize 3 prizes valued between \$30 and \$50 will be awarded. Another 15 to 20 prizes will also be awarded with a value between \$10 and \$20. Your chances of winning a prize to offset the fee is about one out of four. Bowling skill is not required to win a prize. This is a gimmick event all you have to do is knock down 1 pin each game and your in the running. Invite your family and friends. The fee is \$8.50 per person. Please send your fee in A.S.A.P. The sooner I receive the entry fee the better the prize selection. Deadline for entry is February 12th. Don't wait spots will be filled on a first come basis. Fill out the coupon below and return to me with proper entry fees.
