" A Few to Preserve the Best "

From the Prez.

November 25, 1996

So how has everyone been doing ? I hope that all is going well as we approach the Holiday Season. This year Tammy and I were determined to get all of our Christmas shopping done early. I really hate putting up with the crowds in the stores after Thanksgiving , with the possible exception of Toys R Us. Once a kid, always a kid. Anyway , Tammy and I made out a shopping list for our families and took care of everyone in two days. We even got all of our Christmas cards addressed and all set to send out. What a relief that is out of the way. Now I can spend more time at Toys R Us looking for Mustang toys ! On to other things.

Well we have a new member that I would like to welcome into the club. Doug and Kim Dorn , our VP and wife , recently had a new addition to their stable. A baby boy , Colton Allan Dorn , born October 30th. All is going well for them and Colt. Except Doug is a little punchy from lack of sleep. Just kidding Doug. We expect that Colton will be participating in his first WEM car show next spring. Does anyone have a pedal car he can borrow to show ? All kidding aside , Congratulations to Doug and Kim !

As I discussed in the last newsletter , the club was looking at donating \$ 500.00 to the Mustang Museum. We took a formal vote at the October meeting and it passed with flying colors ! We will be sending the donation in immediately. For this donation , our club will be listed on a special wall in the museum, when it is completed. We will keep you posted on the progress of the museum.

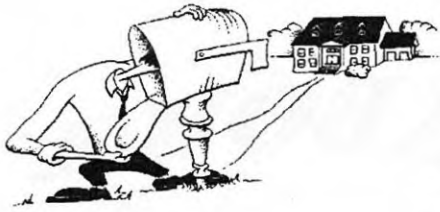

Well that is about all for now. I do want to remind everyone that there will be no December meeting because of Christmas and New Years. Our next meeting will be on January 27, 1997. Tammy and I hope that everyone has a Very Merry Christmas and a great New Year ! Remember to keep an eye open for any upcoming show dates that we can add to our events calendar. Until next time . . . Keep on Stangin !

Scott & Tammy

FROM YOUR EDITOR

1997 EVENTS CALENDAR

On 11/25 a tentative calendar was set for the 1997 club season. A copy of this calendar can be found in the newsletter. The dates, although somewhat firm, are subject to change. An updated calendar will be printed monthly in the Feedbag. If you have knowledge of a date that should be added to the calendar pass it along to a club officer and it will be added.

BACK BY POPULAR DEMAND

After missing one year we will once again add the annual bowling outing to the calendar of events. A sign up sheet can be found in the newsletter. Please respond as soon as possible as prizes have to be purchased and a head count must be turned in early in February. Anyone who has not participated in the past should know that bowling skills are not required to win. The club donated towards the prize fund as well as half the entrants fees go for prizes. An estimated 1 of every 3 people who enter will win a prize. Friends and family are welcome to join in. The more entries the greater the prize list. So get those reservations in early.

TECHNICAL SEMINAR

We have some talented individuals, with much Mustang savvy, in our organization. These people are more than ready to schedule seminars for our members to benefit from. We ask that if you have any Mustang topic you would like to know more about, request a seminar from one of our club officers. Both Dick Doria and Lisa Housey have put on some very informative sessions over the past years. Some of the previous seminars dealt with the ignition system, the carburation system of both early and late models, and the entire working of the electrical system. It takes time and effort to put together one of these seminars so strong participation is urged.

Until Next Month
Fraternally Yours
Bob Zimmermann

MINUTES FROM MEETING HELD NOVEMBER 25TH

- The meeting was called to order at 7:30 by president Moen.
- The minutes from the July meeting were read by Mary Jo.
- The treasurers report was given by Sharon Doria.
- The meeting was preceded by our annual calendar planning meeting. The activities for 1997 were discussed and a tentative date set for each function. A complete breakdown will be printed in the newsletter. Dates will be added as we go through the year.
- Congratulations were extended to vice president Doug Dorn and his spouse. They are the proud parents of a new son Colton.
- The club voted on changing the starting time of our monthly meeting to 7:00 PM. This will go into effect with the January meeting.
- Scott Jentsch offered his services to get our club on line with a Web Site on the internet. It was brought up that this increased exposure may assist in the recruitment of members and offer a new way to communicate to our members who are on line. The members voted on trying this for the next year. The cost will be approx. \$140.
- Dick Doria volunteered to put on a slide show presentation at on of our next meetings. The slides cover outings all the way back to the beginning of our clubs formation.
- Scott and Dean Hillstead are looking into what is required to host a national Mustang show. We may be looking at doing this in 1998.
- Our show fliers should be ready sometime in December. They should be available at the January meeting.
- Our club dinners format will change a bit this year. Dick is pursuing a buffet dinner at the Pulaski Inn. There is a hall associated with the dinning area which will allow us to mingle after supper. The cost is also quite a bit less than the formal sit down dinners held in the past.
- A joint picnic with the Midwest Ford club will be looked into for '97
- It was recommended that we make the club store available at our club meetings to allow members to purchase various items our club has for sale.
- The meeting was adjourned at 8:10.
