

Hi Ho Mustangers,

12/29/11

Well this is the last newsletter of 2011 and I hope this finds all of you in great health. The work goes on for the car show and I have locked in the Milwaukee Mustang Cheerleaders to come to the show. They will be signing posters and mugging for photos. It should be a hoot. With that being said I am putting an outing together to go to one of their games in April. I will keep you all posted as things firm up. At all the home games the mascot will be brought in by one of our members and they will help promote our show. We are in talks about doing a show and shine at one of their home games most likely in May.

I still have to firm up the details for the pizza party but I think there will not be a problem. It will be the same as last year in Racine and call Sue or myself so we can track the count of members attending. This is important as they need to know for staffing.

Next month the bio's for Mustang of the year will be in the newsletter. If you have any one you wish to be considered, Please let a board member know. We will post about 4 members to vote for. The members will make the selection and no write-ins will be counted. I know this is a short cover letter as not a lot is going on so, I will write more next month. HAPPY NEW YEAR TO ALL!!!!!!!

Yours in Stangdom,

Tom

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

December 26, 2011

This is the start of a year in transition. Our secretary and vice president are brand new. They have quite some shoes to fill. Jeff Searing, our exiting vice-president and Joan Searing our exiting secretary/newsletter editor are stepping down. Please join me in expressing our gratitude for jobs well done.

Thanks also go out to Tom Miller our returning president. He has agreed to serve us for one more term. His enthusiasm and continuing efforts should continue to drive us to a great future.

Sharon Doria (yes, my wife) is returning once again as our treasurer. We don't mention much about her job as treasurer. That's because we've been fortunate that she has worked in that position for most of the club's life span. It is a job that takes constant attention, especially at dues time. Plus, every club function, every accessory sale and every expenditure goes through her. Thanks much, Shar.

Jim Sommerfeld is our new vice-president. He brings much enthusiasm as well as a great hands-on technical background. The same can be said of John Falkner. He is relentless in his search for answers, technical and otherwise. We look forward to working with both.

We are excited about the coming year. In addition to our normal activities, we would like to do a few more technical seminars. Your input on items of interest would be appreciated. See me at the meetings, or just drop me a phone call or e-mail. If it's possible we'll try to do it.

Coming up quick is the Pizza Party, the Model A Swap and the annual Club Dinner. Keep your eyes on the newsletter for more details. Then come on and join us.

Sharon and I were blessed this Christmas. All of our family was here starting Christmas Eve Day. That included our favorite Marine, Jonathan and our daughter and grand children from Florida.

We hope that all of you had a wonderful holiday season too. We look forward to spending time together throughout the coming year. May you have a happy, healthy and prosperous new year.

“Keep on ‘stangin’”.

Dick Doria

From Your NEW V-P

Hello, I'm Jim Sommerfeld, my wife's name is Judy, and we have been members for 9 years. I started my love for car when I was about 12 years old working on them every chance I could get. My first car was a 1962 Falcon Futura and our most recent was a 1966 Mustang 2+2. I look forward to being the VP & learning all there is to my duties.

GOD Bless
Jim

From Your NEW Secretary/Editor

Hi,

I'm John Falkner and would like to introduce myself to members that maybe don't know who I am.

I married Chris in 1967, live in Waukesha, and we have two adult children; Jane and Greg. I was teaching math at Brookfield Central HS in 1971 when we ordered a new Mustang for Chris at Griffin Ford. When the Mustang was about five years old and the gas crunch hit, cars with V-8's weren't worth much, so we decided to keep it rather than trading it in (little did Chris know the money pit it would become and continues to be over the years). I discovered the Wisconsin Early Mustangers early on, became a member (#168), and won a number of WEM Show trophies with our unique and original bone stock coupe in the late '80's.

I left teaching in 1979, and got into industrial sales only to become a workaholic to survive as a salesman. Because of work demands and living in Waukesha, I didn't make many club meetings until retirement in 2007, but the '71 was always a hobby. After about 20 years of TLC care, I got bored with it but wanted to keep the unique stock original appearance, so it has been treated to many annual performance upgrades.

Now that I'm retired and have the time, I usually make monthly club meetings and the post meetings for custard, so when nobody seemed to have the time to become the club secretary, I volunteered. After a tough campaign, I surprisingly won ...the fact that I was unopposed probably helped. So now, in addition to boating, riding our Harley, and various outdoor activities, I'll have the secretary and newspaper editor jobs to fill my day.

In my opinion, our club diversification of old to new Mustangs (I've had several Fox bodies and my brother had a '73 Grande but now has an '07 C/S), stock vs. modified, do it yourself vs. pay to have it done, etc. is what has kept this club surviving for so many years. In my case, our Mustang has been new, stock, and evolved into whatever you want to call it now, but after 41 years and over 100,000 miles, it still fits into the same car club because it's a Mustang ...wow! We are each members of the Wisconsin Early Mustangers because each of our Mustangs are special to **us**, so I feel it is paramount that we understand and honor each other's passion for **their** individual cars and views.

John Falkner

Our '71 Sports Hardtop

...at Whitefish Dunes State Park during the 2011 Door County trip.

A special thanks to Joan Searing for the hard copy printing and "snail mailing" of this and next months newsletter ...while I'm off being a Florida snowbird for a couple of months. Newsletter deadlines are unchanged for any flyers, letters, articles, dates, classified ads, etc. to be in the newsletter. Send to jfalkner@wi.rr.com, or call (262) 547-7822.
