## *The Feedbag* ...what happened ...and what's happening.

October 3, 2013

Hi Ho Mustangers,

I cannot believe the summer is over! Where did it go? Door County is all set. Sue and I will be going up this year. Attendance is down a bit, but a good time will be had.

Now on to last months recap starting with the Oak Creek Lionsfest on September 1<sup>st</sup> with 6-8 Mustangers there. A great day and good food was there for the picking. The Racine Shopko car show was on the 2<sup>nd</sup> but I had to work that day at the hospital. I did make the T-Bird show in Port Washington with about 120 others. Good food and a band rounded out the show. All the money raised at the show is going to the local food pantry.

We had a speaker at Monday's meeting talking about the Mustang 50<sup>th</sup> Anniversary runs in Las Vegas. Please see the news letter for all the details and a pin # for saving a few dollars. As for the rest of the year, things really wind down after Door County. We do have a few things in the wings as the pizza planning meeting is on November 25<sup>th</sup> at the New Berlin Ale House at 6:30 P.M. Just a few days later on December 1<sup>st</sup> is the car show planning meeting at Jack Winter's home. Please see the news letter for full details.

It was noticed that Dick Doria was not at the September meeting as he was in the hospital again. I am happy to report that Dick is doing fine and is going to Door County!!! I think he is part cat with 9 lives??? Scott Moen lost his father a short while ago so please keep him and his family in your thoughts. That is all for now, more next month.

Yours in Stangdom,

Tom

# September 30<sup>th</sup> Meeting Minutes

The meeting was called to order by President Tom Miller at 7 PM in the Waterstone Bank.

Tom Miller announced to the club that Dick Doria had irregular heart beat issues, was at St. Luke's Hospital, and was expected home tomorrow.

Don Pederson and his wife were at our meeting to promote the Mustang 50<sup>th</sup> Half/5K run/walk in Las Vegas on April 19<sup>th</sup> and passed out info (later in newsletter). So, would you like to win a 2014 Shelby GTS convertible? Log in to [mustang50thhalfmarathon.com](http://mustang50thhalfmarathon.com) and register to win. The online registration form shows you the cost of the raffle ticket is \$85, however, just enter the discount code of "CLUB" and receive a \$10 discount. This code is only valid [until October 19, 2013](#). Another option is to register for the run itself. The same discount code will allow you to register for the half marathon for \$75. You'll receive the shirt, medal for finishing, and raffle ticket for the car. The race route is at the Las Vegas Motor Speedway and plans are for you to actually run on the oval, drag strip, and road course. A 5k (3.1 mile) run/walk is also available. If you pay the \$75 rate for this event you will be in the raffle for the car, but normal pricing of \$35 earns you a T-shirt for finishing the run/walk that does not include the car raffle component. If you want to take advantage of this offer you need to email Don at [dlpeter@ameritech.net](mailto:dlpeter@ameritech.net). Registrations are limited to 15,000, so your odds of winning the car are no worse than 1 in 15,000. You do not need to be present to win, just register and picture yourself in your new Shelby. Pictures of the car and medal are viewable on the website. Check out BOTH web sites for more details. New members introduced: Stuart Schiefer driving a 2006 Mustang GT.

Tom Miller read the Treasurer's Report as both Dick and Sharon Doria were not present.

John Falkner read the August meeting minutes.

## Old Business:

- 🐾 Tom Miller said we're all set for Door County with 22 pre-registered, but this year we'll leave from the South 27<sup>th</sup> Street Pick & Save lot at 9:30 AM, get to the Mequon McDonald's about 10:00, and head north to Susie's about 10:30. The Maritime Best Western will provide snacks on Friday night again.
- 🐾 Tom Miller announced all WEM logo clothing will be taken to Door County, and others can get their items from Dick after the Door County trip.
- 🐾 Oak Creek Lions Club: Dawn Raduechel reported 5 or 6 WEM members out of about 125 cars.
- 🐾 Racine Shopko: No report
- 🐾 MACC at Hiller Ford: Jack Winter said their were 574 cars and it was a good show.
- 🐾 Golden Mast: No report
- 🐾 Jefferson Madison Classics: No report
- 🐾 Classic T-Bird's at Schmitt Ford: Tom Miller said there were two WEM members and a lot of different cars than we don't typically see around here. All money raised at this show goes to the Port Washington Hunger Task Force.
- 🐾 Bay View HS 50<sup>th</sup> Reunion requested cars, so Tom Miller and Craig Cameron brought their cars for everyone to enjoy. Several club members were members of the class.

Raffle: No raffle because of Dick Doria's absence.

## New Business:

- 🐾 Tom Miller reminded members of the November meeting at the New Berlin Ale House and the December 1<sup>st</sup> Car Show planning meeting at Jack Winter's home (details later in the newsletter).
- 🐾 Scott Moen asked to contact him if you are planning on going to the MCA 50<sup>th</sup> so we can go as a group. The official meeting closed about 7:40 ...and the race was on to custard where about a dozen members settled in for more shenanigans.

# Extra Nuts & Bolts...

Greetings Fellow Mustang Enthusiasts,

My name is Pete Schmidt and I am the President of the Southwest Metro Mustang Club based in Minneapolis, MN. As I am sure you know, the 50th Anniversary of the Mustang is next April. And the MCA has planned a few commemorative events to mark the occasion. A few members of our club have expressed an interest in attending the event being held in Norman, OK on the weekend of April 11-13, 2014. If you have looked at the planned Pony runs to Norman next April, you have likely noticed there is not an organized route for folks North of St. Louis, MO between Boise, ID and Detroit, MI.

I am writing to see if there is any interest in organizing a route between Duluth, MN and Norman, OK (via Minneapolis, Des Moines, Kansas City and Wichita). I don't have any agenda other than to see if there is enough push to make the effort of organizing a pony run worthwhile.

Please feel free to reply with a short opinion of possible interest level, and any other comments you may have. Thanks for your time.

Pete

*PS We'll be discussing this more at our WEM monthly meetings.*

**...more on the Ford distributor gear 1/8" roll pin.** A friend of a friend at a cruise night said when he raced Fords, they always pounded a 1/16" roll pin into the 1/8" roll pin to solve the issue of a broken pin during a race. This is easier than drilling the gear and shaft for a 3/16" pin. Keep in mind, the stock 1/8" pin is great for stock engines, and is only an issue on high revving modified engines with high volume oil pumps which put more strain on the roll pin. If an oil pump seizes, you want the roll pin to shear, just not prematurely, so it has to be properly engineered to the application. John Falkner
