The Feedbag ...what happened ...and what's happening.

August 30, 2013

Hi Ho Mustangers,

I am happy to report that the club has a new vice president, and that would be Dave Hartley. I want to thank Jerry and Bob for stepping up and running with Dave. It will be hard to fill Vern's shoes in this board spot, but I think Dave can handle it. When you see Dave please offer your congrats.

I can hardly come to grips with the fact that September is here. We still have a lot to do before we put the cars away, so here I go. September 1st is the O.C. Lionsfest, and I plan on being there. In the past we have had a good showing of the club and I think we will show well again this year. The show is from 10 to 3 at the O.C. Legion Post. Also coming up this weekend is the Racine Shopko show on the 2nd. All the money taken in at this show goes to MDA, and they always have a good turn out (200+). The Schmitt Brothers T-bird Club show is on September 28th, and it is only fair that we show up at their show, as they show up at ours. I am planning on going since I will not be at Ducktail in Gas City this year.

Dick Doria said Door County is filling fast, and if you are planning to go, get your money in NOW!!! This outing is always fun, and is a great time to meet new members and see old ones. In my book it is one of the best outings of the year.

On to a bit of old news. We will start with the club picnic at "The Bing's". It was a great day, and the food and company were outstanding with 40 or so in attendance. I want to thank "The Bing's" for opening their home, and for all the hard work that it takes to pull it off. Sue and I did it for 10 years and we know!!! Good planning and a great amount of help make these large events much easier. Thanks to all who helped.

I did make the cruise night at "Georgie's" with 12 or so cars. Weather was wonderful and the tunes better. It was a good turn out with 200+ cars there. We had a good front row spot, and did get a plug or two from the D.J.

I made the Masterpiece Show and was the only Mustang there. The T-bird club had 5 cars, so I took a bit of ribbing. That was okay since I have thick skin, and it was all in good fun. The weather was great, and I got to see the 3-masted ship set sail out of the harbor and I can tell you it is quite a sight. The show had 250 cars with a lot of 'vetts (60 years) and a lot of stuff you do not see every day. Great show!!! That's all for now, more next month.

Yours in Stangdom,
Tom

August 26th Meeting Minutes

The meeting was called to order by President Tom Miller at 7 PM in the Waterstone Bank.

New members introduced: Sally Boya who has a 2006 Mustang along with her husband Richard, and Mike Souders who currently has a 2002 Mustang, but has had a '65 and a '79.

V.P. ballots were passed out and collected so Dawn Raduechel and Kitty Klein could tabulate the results as the meeting progressed.

Sharon Doria read the Treasurer's Report.

John Falkner read the July meeting minutes.

Tom Miller thanked all three V.P. candidates for stepping up to offer their service to the club.

Old Business:

🐾 Door County: Dick Doria said we are about 2/3 full to date.

🐾 Club logo clothing: See Dick Doria to order. Orders placed by September 15th will be filled by our Door County trip.

🐾 Club Picnic on August 10th: Scott Bingenheimer reported 38 people had a great time and thanked everyone for all their help.

🐾 Georgie Porgies Cruise Night on August 17th: Jack Winter said we had about 10 members cars there.

🐾 The Milwaukee Masterpiece on August 24th: Tom Miller said he was the only Mustang there, the T-Bird club had 5 cars there, and the 1947 Cadillac ambulance we saw at the Firefighter Museum got an award.

🐾 Waukesha Old Car Club on August 11th: Rain chased many cars away early this year.

🐾 Sussex Lions Club Car Show: Big show with good food and live entertainment

🐾 Tichigan Lake Lions Club Car Show: John Falkner was #638 at 10:00 AM, and Jack Winter said there were a total of 756 cars registered. An ample choice of blacktop or grass parking and good food by Rupina's have made this a very popular show.

Raffle: Eight large & medium size T-shirts were raffled off.

New Business:

🐾 Tom Miller announced **Dave Hartley is our new Vice President**, and again thanked Bob and Jerry for offering to run.

🐾 Tom Miller relayed a story about being down in Husher at a farmers market and coming across a guy with a '55 Chevy Bel Air that had a chromed out 350, but had a loose exhaust that was hitting the drive shaft. He followed Tom back to his house where Tom fixed the exhaust problem and the guy was very grateful. The bottom line is we are all car guys/gals and need to help each other out with our old cars ...but Tom didn't want anyone in our club to know he fixed a Chevy. Ha! Ha!

🐾 Dick Doria is taking orders for WEM branded jackets, sweatshirts, polos, t-shirts, hats, etc. He has a price list available and will place the order soon to ensure items are received prior to Door County.

🐾 October 4-6 - Door County! Dick reminded everyone to get their Door County reservations in! The rooms go fast and at this point in time are about half full.

🐾 Tom Miller also reminded members of the Oak Creek Lions Club Show, Racine Shopko Show, Golden Mast Show, Fall Jefferson (Ford's featured), and the Classic T-Bird Show (details in the Club Calendar).

🐾 Jack Winter reminded everyone about the November Planning meeting at the New Berlin Ale House and RSVP is NOT required ...just show up.

🐾 We will not do Toys for Tots as a club activity this year.

🐾 The Car Show Planning Meeting is at Jack Winter's house again.

🐾 Dick Doria said he has two dozen black hats with a gold club logo for \$10.

The official meeting closed at 7:40 ...and the race was on for CUSTARD!!!

John

Extra Nuts & Bolts...

GET UP TO THREE DYNO PULLS FOR \$65! Just tell them you are a Mustanger.

Phone: 262-510-7582, or www.latemodelthrottle.com

FYI My modified 351-C has a Melling **high volume** oil pump. I found out the hard way that the stock 1/8" roll pin through the distributor gear is only marginally up to the task, and mine failed three times! When that pin shears, you stop! ...and loose pieces of the pin wind up in your oil pan! I finally got to talk with the right guy at Pertronix that said this is a fairly common problem with high volume oil pumps and the stock 1/8" roll pin. He had the gear and shaft drilled to accept a 3/16" pin at no additional charge in a new distributor. It's just basic physics that a larger displacement oil pump in an engine turning at 6-8000 RPM's vs. a stock displacement pump at 5500 RPM's is going to put a more strain on that pin, so **the solution is to install the 3/16" roll pin** which has about twice the shear strength, still retains the "fuse" feature of a roll pin should the oil pump seize, but the larger/stronger pin stays in one piece for reliable operation.

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

August 27, 2013

It is getting close to the end of summer, again. Seems as if we were just joking about how these years roll by. Well, Door County is a little over a month away. There are a few rooms available, so grab them while you can.

I would personally like to congratulate Dave Hartley on being elected our new vice-president. I have known Dave for some time now. I know he will be an important asset to our management team. Thanks to Jerry Ignasiak and Bob Tice for throwing their hats in the ring.

I have to give the "old black 'stang'" a good clean up before the Door County trip. She is usually ready to go on a moments notice. But "we're not getting any younger". Speaking of the trip, we appreciate any and all CB radios along for the ride. Yes, even if you're too bashful to join in the hash. Just have a good, safe time.

Once again Sharon and I hope we will have the pleasure of seeing many of you in the coming months. Get out there and drive those 'stangs. Just be safe.

"Keep on 'stangin'".
