

Hi Ho Mustangers,

1/2/10

Hope you all had a great Christmas and Santa brought you all the things you wanted. I know that I must have been very good this year because he brought me every thing I asked for. December was a busy month and not just Christmas. I have had to work 2<sup>nd</sup> shift the week of Christmas and worked on N.Y. Day. January is not shaping up to be much better. We will be short 1 man at work and that means more weekends and 2<sup>nd</sup> shifts. Oh well at least I am working.

On to some new business like it is not too early to start thinking about Mustang of the Year. We will be presenting the award at the club dinner in March. Keep your eye on the newsletter for a list of past winners and vote for someone new. The Pizza party is on February 14<sup>th</sup> so bring your dates as this is Valentine's Day. See the newsletter for details and please call Sue or myself for a correct count to give to the restaurant. (414-764-6726)

Also on February 28<sup>th</sup> is the Model A Ford Swap and we will be there with a booth again this year.

This years Toys For Tots was a great turn out with a ton of toys. I would like to thank Craig and Carol Cameron for opening their home to host this event and I know I am looking forward to doing it again. Thanks again. We held the show planning meeting on December 13<sup>th</sup> at Jack Winter's home and the show is off to a great start I am happy to report. Thank you Jack!!!!!!!!!!!!!! More next month.

Yours in Stangdom,

Tom

## FROM YOUR EDITOR

Hello!

I hope everyone had a safe and happy holiday. We're off to another year! Can you believe its 2010? It doesn't seem that long ago that we were worried about Y2K....now here we are 10 years later. Wow! Time flies.

### *Club Dues!*

I wanted to remind everyone that your **club dues** are due! If you have not mailed them to club headquarters, please do so. The annual renewal form is attached in this newsletter. For those of you who have returned your form, I will send out your 2010 membership card as soon as I can.

### *Member of the Year!*

It's that time again to vote for member of the year. Please vote for a member that you feel has contributed most in the club in 2009. The form will also be attached in this newsletter. Please fill it out and return to Tom Miller. You are asked to include a short paragraph as to why you feel this member is most deserving. Forms are due back by the end of **February**, so please take the time and fill one out. Member of the Year award is given out at the Club dinner, Sunday March 28<sup>th</sup>, 2010

### *Let's go Green!*

I know some people hate the idea of going "Green". But if everyone gets their newsletter via e-mail instead of snail mail, it would save the club money, time and effort that goes into mailing out the newsletter. There is a section on the Club renewal form for your e-mail address. Please consider having your newsletter sent via e-mail. One of the benefits to having your e-mail on file is for mass mailing of other topic, events, cruise nights, car shows, etc...that don't always get included in the newsletter.

### *Special Thanks!*

"Thanks to all of you that participated in the 2009 Toys for Tots event. We gave quite a pile of really nice toys to the charity again this year. And...we had quite a party at our house with way too much good food (especially desserts). As always, the best part of the party was the fellowship among the WEM members and sharing "Mustang tales". We, and a host of grateful kids, thank all who donated a toy this year."

Craig and Carol Cameron

2. Dawn Raduechel will design the flyer. Theme of show yet to be decided by Dick Doria.
3. Dawn Raduechel will be responsible for show publicity.
4. Joan & Jeff Searing will print and mail flyers. They will get past years' information from Bob Zimmermann and screen past mailings to attempt to reduce mailing costs. Members will receive the show flyer in the newsletter.
5. Vern Snyder will procure the music and food vendors. Will attempt to get contract with music vendor in writing.
6. Dick Doria will check on the time for setup on Saturday with Ewald Ford.
7. Sal Lorino will again be in charge of the Club's swap booth.
8. Dick and Sharon Doria will be in charge of the Club's table.
9. Scott Moen and Don Schultz will be in charge of parking this year. Parking attendants should be at the show at 6:30 AM on Sunday. Cell phones were helpful last year and a list of the cell phone numbers for the parking attendants will be made available by Scott Moen prior to the show.
10. Bob Zimmermann will again make the trophies. A one piece trophy was recommended. Additional trophies may be needed if we expand the number of classes. Three trophies in each class plus peoples' choice and dealer's choice.
11. John Lerner and Joan Searing will be in charge of counting ballots. Additional help will come from others if needed.
12. Tom Miller will be in charge of classing cars. This includes verifying classes of the pre-registered cars and handing out the car show packet to those who registered prior to the show. He will use others on his committee to class cars for those who register the day of the show.
13. Debbie Snyder will handle the door prizes, fish bowls & 50/50 raffle.
14. Dick Doria will create the name badges/tags. He will also design this year's dash plaque.

16. Jack Winter will be in charge of trash and show tear down.
17. Dick Doria has already met with Ewald personnel and they have pledged their continued support similar to prior years.
18. Parking attendants will again be wearing the vests from last year (whoever has them?) and Tom Miller will check on new flags.
19. Rick Huckstorf will attempt to get some orange parking cones to assist in marking the parking spots.
20. Scott Moen will contact MCA to secure insurance coverage.
21. Scott Moen suggested some additional classes be added. He will review the list and get a revised list to Dawn Raduechel prior to printing of the flyer.
22. Debbie Snyder suggested possibly having a model car contest for children. Scott Moen and Debbie Snyder will attempt to do something this year but not on a full scale basis. No trophies or voting, however they will decide. It will not be advertised in the flyer.
23. Dick Doria will design the T-shirt again this year. It will be a surprise!

Enclosed in this newsletter is a listing of the chairpersons and workers at the 2009 car show. I hope I have included everyone who was there last year. If not, I apologize. Please review the listing to determine if you are available and willing to work in the same position this year. If so, no need to contact Jack Winter. If you would like to make a change, or if you were not on the roster and would like to work the 2010 car show, please contact Jack Winter at home (262-786-0484) or e-mail [jawinter@wi.rr.com](mailto:jawinter@wi.rr.com).
