“A few to preserve the best”

Our club is dedicated to the preservation and enjoyment of Mustangs and other Ford Products.

We encourage young and old with a passion for Ford products to join in and share that passion with our various activities throughout the year. As with people, our cars and interests cover a broad range.

Our members have everything from the very first 1964's to brand new Mustangs. Some are original “survivors” that look like the day they were made, some are subtly upgraded, and others are highly modified street machines or track cars.

Some members love to polish and look at their cars entering them in judged shows, others love to just drive them, while some love to race them. We have members that love to work on their cars and get their hands dirty as a hobby and others that want professionals to correctly maintain their cars. Some like chrome and some don't. We have individual interests, abilities, resources, etc. but all Ford fans are welcome.

History of the Wisconsin Early Mustangers

The Wisconsin Early Mustangers was formed in the late summer of 1979 by a group of friends with a passion for their Mustangs. It is a club dedicated to the preservation, restoration, and enjoyment of ALL Ford Mustangs, Cougars, and Shelby's. Ownership is not essential, only an interest in Ford products and the desire to share that with others.

We are an independent and non-profit group of Mustang enthusiasts, and we are a regional group of the Mustang Club of America (MCA). We send out a monthly newsletter to cover items of regional interest.

Member Items of Interest

- Our club meets the last Monday of every month with the exception of February, May, and December. Meetings are generally held in the lower meeting room at the **WaterStone Bank, 6560 South 27th Street, Oak Creek**. Meetings start promptly at 7pm. We typically have about 50 members attending. There are no attendance requirements, but we figure those interested, or with questions will attend, and they do.
- We host **Wisconsin's Largest "All Ford Show and Swap Meet"** each May on the Sunday preceding the Memorial Day weekend.

- Our club participates in parades, road trips, cruise nights, rallies, picnics, etc.
- One of our favorite and most enjoyable activities has been the over the road trips. The sight of all those Mustangs together in a group on a highway venture is very impressive. Plus, we usually stop along the way to have a great lunch or dinner and socializing together ...sometimes car related ...sometimes not. We've made many friends on these trips, along with promoting the Mustang image as we go.
- If you are having a problem with your Mustang, chances are that another member has had that same problem, so they can help you with the solution, or at least a place to go for the right solution. Being a member of the club, you don't have to endure a lone sick pony.
