The Feedbag ...what happened ...and what's happening.

Hi Ho Mustangers,

3/6/13

Sorry about being late but, Sue and I were out of town last week. We left on the 28th and as all Wisconsinites had to clean up snow before we left and on our return yesterday. I just got back from picking up the dog, and to my surprise John was on the phone about the newsletter. Oh to be back on vacation. None the less we will continue with this cover letter.

We were at the Model A Swap/Show last month and it was great to see old friends and members at the event. We did hand out about 300 fliers and answered a boat load of questions about the club, and of course the cars. This is the start of the car season and things are going to start happening faster that you think.

I want to remind all of you about the club dinner on March 24th. If you worked at last years show, you have a free dinner coming. If you just want to come that would be great. In any case you do need to RSVP/ASAP to Sharon or Dick at 414-761-2267. Details are in the newsletter, so I hope to see you all there. We will, as in the past several years, be handing out WEM Member of the year. This will take place before dinner and I will try to keep it as short as I can, as I know you all will want to dive into the food.

The Ice Breaker Brunch Run is just around the corner and it is never to early to start planning for this. Wayne and Betty have set up all the arrangements and all the details are in the newsletter. This is the start of the clubs' car season and one of the best outings of the year, so I hope you all find the time to come out and get the WEM car season to a great start with us.

It is never to early to get started on the door prizes needed for the show. If you need help on how to go about this, just contact Debbie Snyder and she can get you started on your way. It is very easy to ask any business that you do business with if they would be interested in helping (restaurant, hardware store, car wash, etc.). All sponsors will be noted on our web site and on the sponsor's board at the show. Well, that is all for now, more next month.

Yours in Stangdom,

Tom

We are ready to start another great Mustang season. Coming soon is the March 24th Club Dinner at the Pulaski Inn. It is always a great meal and a good time to just relax and enjoy the company of fellow Mustangers. Be sure to let Sharon know if you are coming. Right now we are a little light with just over 30 members responding. Don't forget if you worked the 2012 Venus show, you get a free ride to the dinner.

On Saturday April 13th we will be doing one of our technical seminars. At the request of some of our members, the theme will be "safety". This will include a comprehensive look at preparing a vehicle, new or old style, for the driving season ahead. We plan to touch on engine, drive train, brakes, electrical, cooling system, and body. Many of you are well versed already, but we hope to fill in between the lines. Please let me know if you plan to attend. E-mail at Rodknock@aol.com or call 414 761-2267.

Please don't forget about our annual "ice breaker brunch". Wayne Mudek is doing a wonderful job of getting everything organized. It will be a great chance to introduce our Mustangs back to the road.

We had a very nice time at the Model A Ford Swap meet Sunday February 24th. Once again saw a lot of old friends. Made some new ones. I was really surprised at the number of positive comments we had on our annual May show and swap. Almost every show flyer we had brought was taken.

Speaking of the May 19th Show, we have had a few early sign-ups coming in. Two swap spaces are already spoken for. Starting this month we will encourage you all to pre-register if possible. It makes it much easier on those planning and running the show. The folks at Ewald's Venus Ford are on board totally and looking forward to another successful event.

As many of you already know, Sharon and I became great grandparents January 16th. A little boy named Connor Michael was born to our granddaughter Brittany. He has been just a great little guy so far. He even lets his parents sleep once in a while. I see another potential Mustang coming along.

Here's looking forward to spending some time with all of you this coming year. Stay active. That is what really makes our group so successful.

"Keep on 'stangin'".

Dick Doria

Since we don't have a February Club Meeting, there are no minutes to report this month.

Hey, even though I've got nothing to report for minutes, you know I can't resist filling a page with something...

- ✉ I plan to include a page in our next month's newsletter listing popular weekly, bi-weekly, and monthly cruise nights and/or any other car related events to share with our members. Last year, I found several new-to-me places to go, and met several of our members at the events as a result of last year's listings.
- ✉ Please make note that I've changed my email address to jfalkner71@gmail.com, and will no longer have access to anything sent to my old email account. My Android smart phone required an IMAP provider for email (Internet based like AOL, gmail, hotmail, etc. ...which are all free). To sync email on the phone and computer, it was easier to just have one email address for everything, so I'm dumping the POP-server account with Time Warner cable. The nice part of this, is that my email now works anywhere in the country without re-setting anything! All I need is access to the Internet on either the phone or any computer.
- ✉ Even though my 262-547-7822 phone number will still be active, that number is going to become my wife's mobile phone number, so if you want to call me for any reason, please **call on my cell at 414-630-7822** (I've got unlimited minutes, so there's not a cost issue to call and talk or text for as long as or as often as you or I want).
- ✉ We look forward to seeing everyone at the Club Dinner on the 24th ...hopefully it will warm up by then. After two months in Florida, coming back to fire up my snow blower just wasn't the welcome home I wanted.
- ✉ Don't forget to sign up for the Ice Breaker Brunch Run, and notice the new pricing in this issue of the newsletter ...and Wayne guarantees even better weather this year.

PS If you don't add the "71" after "jfalkner", I won't get your email. I don't know who has that email, but they don't reply telling you that they're not your intended recipient.
