The Feedbag ...what happened ...and what's happening.

From the President

July 3, 2014

Hi Ho Mustangers,

I cannot even think that the summer is half over. Tomorrow is the 4th of July, and next weekend is Iola. WOW!!!!!! We still have a lot to do, and I shall not waste any more time. The Fox Valley show was on the 15th and had about 100 cars. Dick Doria and I made the drive up. It was a bit cloudy and very windy. We both had a bit of trouble keeping the cars on the road, and for a change we did not hit any rain as was predicted. Kitty's mystery run took place on the 21st. I had to work that weekend and could not make it. All the details are in the June meeting minutes.

On July 12th we have the Beach Party set up by Larry Tobiasz. He needs a head count if you are planning to go. All the details are in the news letter, but call him TODAY!!!!!!!!!! I will not be on this outing since I will be in Iola. On July 20th we have the Soerens Ford show and they still need help parking. There are 3 Mustangers that have offered to help, but we could use more bodies. If you can help, please call me or show up the day of the show. I will be there around 8:00 AM.

We are still looking for a place to hold the August 16th picnic. I really do not want to see this outing cancelled!!!!!! We have about one month to get this taken care of, and if you can help, please call me ASAP. Last but not least is DOOR CO. Yes there is a sign up sheet in this months news letter. This year we will be going up 1 week later, October 10th - 12th. Check your calendars and make those RESERVATIONS, today!

I would like to thank Glen and Karen Furst for the nice power point of the 50th Anniversary in North Carolina. It was a real hoot to see 1000 Mustangs on the largest cruise. We also had a small show recap meeting before the monthly meeting. All is well, and as it is every year, we need to tweak a few things.

That's all for now, more next month.

Yours in Stangdom,

Tom

June 30th W.E.M. Meeting Minutes

The meeting was called to order by President Tom Miller at 7:00 PM.

Glenn Furst gave a very interesting PowerPoint presentation about their trip to Charlotte for 50th Mustang Celebration with many highlights including his ride along with a professional race driver in a Mustang at over 150 MPH around the Charlotte Motor Speedway track.

New Members and Guests: none.

The Treasurer's Report was read by Sharon Doria and approved as read.

The April 28th Meeting Minutes were read by John Falkner and approved (no May meeting to report on).

OLD BUSINESS:

🐾 Jack Winter reported we had 55 for the Brunch Run ...great food

🐾 The Ewald's Venus Car show was a good show with good weather and we made a profit. Larry Tobiasz reminded members to patronize show sponsors and let them know that you're a member when you do.

🐾 Dick Doria said the Fox Valley show had about 50 cars, they left early, and didn't get into the rain.

🐾 Kitty Klein reported on Kitty's Mystery Run to Rich Carrao's collection of mostly Mustangs in his barns and sheds near Eagle, and then on to Spinnakers. *If you didn't go, you missed a really good one!*

🐾 Dick Doria said our website was down for two days, but now renewed for the next 10 years at godaddy.

🐾 Dick Doria gave a show financial summary, and said we have left over show T-shirts (S - 4X) available for \$5.00 each and hats for \$15 each.

RAFFLE: Deb Tice got a show T-shirt and Wayne Mudek got a hat.

NEW BUSINESS:

🐾 Dick Doria reported we have only 28 rooms left for the Door County trip. Please use the sign-up form in the newsletter and fill it out completely.

🐾 Larry Tobiasz asked that everyone coming to the July 12 Beach Party / Mystery Tour to sign up BEFORE July 5th. See the flyer in the newsletter.

🐾 Tom Miller said the Soerens Show needs our help with parking cars starting at 8:00 AM.

🐾 Tom Miller said we still do not have a destination for our August 16th club picnic. Jerry Ignasiak said he'd check to see if he could make the arrangements.

🐾 Jack Winter brought up two possible trips. Maybe a bus trip to the Clarimont Museum in Cicero with about 2-300 cars, or an OTR trip up to Doc's H-D in Bonduel that has a little of EVERYTHING.

Dean Falkner made a motion to close, seconded and the meeting closed at about 7:45 ... CUSTARD!

News from the FVFM Club:

Our Father's Day Car Show was a success even though the weather was questionable most of the day and very windy. The rain held off until after the trophy presentation. We had 87 registered cars which was pretty good and we sold out of food again this year. Thanks to the WEM members that drove up in the extra windy conditions.

I am still looking for 1972, 1974, 1975, 1980, 1981, 1982, 1989 and 1997 Mustangs for the License to Cruise in Downtown Appleton, Friday, September 26, from 6 - 9pm. If you know anyone with these years, please have them get in touch with lynn@fvfmclub.com or call 920-757-6494.

Our club will be doing three cruises this summer and our first one is Saturday, July 19th. We will be cruising to the Wisconsin Dells area. Our members Dennis and Judy Johnson are planning this event. I do not have the details, but she mentioned that we will be leaving the Oshkosh area at Hwy. 44 exit off of Hwy. 41 around 9am. If anyone is interested in joining us, please e-mail me at lynn@fvfmclub.com or call 920-757-6494. We will be cruising in August to Doc's Harley Davidson East of Bonduel and in September we will be cruising around the Lake Poygan area. I will have more information in the next newsletter.

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

June 26, 2014

We did manage to get the "war horse" out of storage in time for the brunch run. Many thanks to Tim and Dan Danbrea. We had a great time and saw many of our Mustangers there, plus, we met some nice new ones too. There was great food and a good time.

After that, we managed to get the '65 into the body shop. I started the 2013 season off by scraping the right door backing out of the garage. I finished the season by nicking the left lower quarter on our driveway side planter. So the left quarter and gas filler panel were straightened up and repainted. If I keep this up, the whole car will be redone before Jonathan gets it in 2017.

Thanks to all who pitched in on a very successful 2014 Ewald's Venus Show and Swap. The show was a big success, but we noticed room for improvements. The board, officers and committee persons will hold a short meeting before the June monthly meeting. It will have taken place before you receive this newsletter.

From my corner we will stop doing the yearly show specific, T-shirts. They seemed to have outlived their welcome. We will always have the "generic" T-shirts available. In addition, we will have two major orders a year for all of the other club goodies such as hats, polo shirts, sweat shirts, jackets, and custom ordered embroidery. Special orders will be considered when possible. Just contact me by phone (414 761-2267), E-mail (Rodknock@aol.com), or in person at the meetings.

Another item that will be brought up is participation. We agreed from the start to never have meeting attendance or event participation as a forced issue, ***nor, will we now.*** We always figured that those interested will participate. That is fine and dandy until you start running short on help at the show, or for new ideas for events. Don't be afraid to throw new ideas in the ring at meetings or by contacting officers.

Not every idea may be used, but it will start people thinking. On that same line of thought, we should realize that in less than two years we will be holding our elections. Some officers will have run their course. Some may not be with us anymore. Others may just choose to back down. We should start thinking now about nominating and or volunteering some younger blood to keep this club going.

I will start taking signups for the Door County trip this October. Yup, it's that time of year again. In the meantime let's enjoy the Summer.

“Keep on ‘stangin’”.
