## The Feedbag ...what happened ...and what's happening

**June 1, 2017**

Hello Mustangers!

Outside of this pesky rain, this spring has provided some pretty nice weather to cruise in your Mustang. Karen & I have taken Sweet Pea out through the country side with her "2 — 60 A/C" wide open just for the fun of it. It's a blast to travel the back country roads with all the fresh air. AAAaaaaa!!!

Our **All Ford Car Show** was great! Perfect weather! A huge thank you goes out to all those members that pitched in to make this another show for the history books! We had 230+ cars this year. Hope everyone had a chance to stop by the Ford Performance booth and talk to John Clor. It was a treat to have him drop by our show this year! A big thanks also goes out to our sponsors and, of course, Ewald's Venus Ford for hosting our show. We truly appreciate all those that help make this a distinguished event.

Our next club event is Kitty's Run up to the Horicon Marsh coming up on **June 10th**. Please contact Kitty or Steve Klein (414-321-5298 or 414-526-0182-cell) to sign up for this great cruise! This is a terrific event we've done in the past and always fun to cruise up in the Horicon area. See the flier in the newsletter for further details.

Also, coming up on **July 8<sup>th</sup>** we are have a **Triple Crown Cruise**. Our first destination will be Roma Lodge, Racine for Coffee & Cars, then we'll journey out to Mukwonago for Croatian Festival with a cute little car show we can partake in and a final stop at Gus's Drive-In, East Troy for ice cream and cars. Contact Karen Furst (262-594-2275 or second1st@centurytel.net) to RSVP before July 2nd.

The Wednesday Night Classics is back on out at the Point Burger Bar in Pewaukee. Karen & I stopped out to see how their show was in their now location. Ya, lots of cars! We saw a number of WEM Mustangers there, too. And, a LOT of Mustangs showed up! Nice show!

Coming up on Sunday, **July 16<sup>th</sup>** is the **Soerens All Ford Roundup**. They need help parking the cars. Russ Owens has always helped out at our show. If you can, please contact Russ (414-861-9213) to keep this another fabulous Ford show.

See you out on the road,  
*Glenn*

## Show Winner

This year's 35th WEM car show was another well run success story. What stuck in your mind? For me, there were many memorable images. There were a variety of trucks and cars to admire, and as usual, it was hard to pick a winner. But the image that sticks with me goes beyond the vehicles. It was Jack Winter, a club member, who for many years has had a huge influence on how our event is run, escorting Wayne Mudek through the car lot. Wayne's face told the story, and Jack was being Jack, a true friend and this year's show winner.

***“A few to preserve the best”***

Our club is dedicated to the preservation and enjoyment of Mustangs and other Ford Products.

We encourage young and old with a passion for Ford products to join in and share that passion with our various activities throughout the year. As with people, our cars and interests cover a broad range.

Our members have everything from the very first 1964's to brand new Mustangs. Some are original “survivors” that look like the day they were made, some are subtly upgraded, and others are highly modified street machines or track cars.

Some members love to polish and look at their cars entering them in judged shows, others love to just drive them, while some love to race them. We have members that love to work on their cars and get their hands dirty as a hobby and others that want professionals to correctly maintain their cars. Some like chrome and some don't. We have individual interests, abilities, resources, etc. but all Ford fans are welcome.

In fact an engraved nameplate with Bob and Shirley's name is still affixed to the dash. I am considering selling this Mustang to a serious buyer. If anyone in your club is interested or know of anyone who is interested in this car, I will entertain any serious offer. The vehicle was appraised at \$28,900 in November 2015 by a nationally licensed appraiser. I will provided more details, history and contact information of anyone who may be interested. I have attached photos for your convenience. Gerald Schmidt - [gfschmidt43@lakefield.net](mailto:gfschmidt43@lakefield.net)
