

Hi Ho Mustangers,

5/28/09

Well the show has come and gone with in a blink of an eye. All the hard work really paid off this year with 307 cars registered and 322 paid. This was our biggest show ever and may be the largest in history for an all Ford show. I would like to thank all the members who helped out at the show as well as getting all the cars there. I would also like to thank the dealership, vendors, and the Lions Club for the food. As in past years we ran them out of food by 1 pm. They told me that they would bring more next year.

We do have a few things coming up this month. June 7th Spud's will be spinning at the Mc D's in Racine on HWY 20 from 4-8. June 21st is the Fox Valley Show in Appleton. I am hoping the 68 will be back in the fold. June 26th is the Cousin's of Muskego show. This is a new event to us and I have a feeling this will be a HOOT. On the 28th there is the Wind Lake Show and the Kettle Moraine show. Do not forget the Club Night at Pandle's, it is our night.

Now that things are swinging I would just like to remind all of you to be careful this car season. WE want to bring home alive and in good health. On a down note we lost a member on May 6th, Lee Sharfinski, age 64. Please keep the family in your thoughts. There is an E-mail that I got asking if any knows where he stored his cars to please let the family know. I have some contact info if you need it. More next month.

Yours in Stangdom,

Tom

FROM YOUR EDITOR

2009 Car Show

Record Participation

Thanks to the hard work and cooperation of our members we set a record for the largest Ford Show held in Wisconsin. The lot was packed to capacity. The final count was 322 cars on display. This year also brought in some very unique Fords. Mother Nature gave us one of the best weather days to hold a show. Another record set is pre registration, which was 103 cars registered prior to May 1st.

Newsletter (SNAIL MAIL VS EMAIL)

About 65% of our members now receive their newsletter through Email on their computer. This proves to be quite a savings to our club. As the cost of postage keeps climbing along with paper cost and toner cost for our copier it would be very beneficial if all members accepted the newsletter on line. I understand that there are some that do not own a computer or for some other reason elect to continue to receive their newsletter through the mail. I would like for those who have access to a computer to please consider getting their Monthly newsletter on line. If you wish to transfer to email send me a note and I will make the switch.

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

May 25, 2009

Thanks to all who participated and worked at our 2009 Ewald's Venus Ford Show and Swap. The weather was cooperative. The quality and quantity of the cars was exceptional. But, best of all, everyone seemed to have a really good time. For some of us "ancient ones" in the club, walking was a little difficult the next day. However, that soon wore off and only the fond memories remain.

With the onset of summer, we are looking forward to another great season of enjoying the Mustangs. The cruise nights and car shows are starting to come full force. For gearheads like myself, the season to apply wrenches to nuts and bolts is finally here. It's just easier to work without seven layers of clothing. Keep your eyes on the club calendar and for e-mails on coming events. Get to know your fellow members. This is a nice bunch of people.

This August we are celebrating the 30th anniversary of the Wisconsin Early Mustangers. As a special tribute to our success, we have designed an inset to our logo that will appear on any polo shirts ordered this year. It consists of the standard WEM embroidered logo over a gold embroidered 30. It looks pretty nice and the best part is the prices remain the same. Anyone interested can call (414 761-2267) or e-mail me (Rodknock@aol.com) to place an order. I hope to have them ordered and deliverable by the June meeting.

As usual, I am always looking for ideas for short seminars. I plan to follow up on our diagnostics for OBD II sometime in fall. However, nothing says we can't have a quick one or two during the summer months if a subject looks appealing.

I want to give a special thanks to all of our officers and board members for a job well done. Not just in our recent show, but in all of our activities through the year. These people give freely of themselves so that the rest of us can enjoy one of the best clubs in the area. They are a pleasure to work with and a lot of fun.

So let's get those cars out of the garage. Shine 'em up. Jump in and drive. Get to know the real Mustang experience. I hope to share the road with you as much as possible this summer.

"Keep on 'stangin'".

Dick Doria

CLASSIFIED

FOR SALE: 1968 Mustang Coupe 289 Automatic. Original owner. 56K miles. Asking \$12995.
Call Jim (262) 377-5346
