

Hi Ho Mustasngers,

10/30/09

Sorry no cover letter this month. TOO much work at the HOSP. We'll be on flying out tomorrow to SEMA show. I will fill you all in next month.

Yours in Stangdom,

TOM

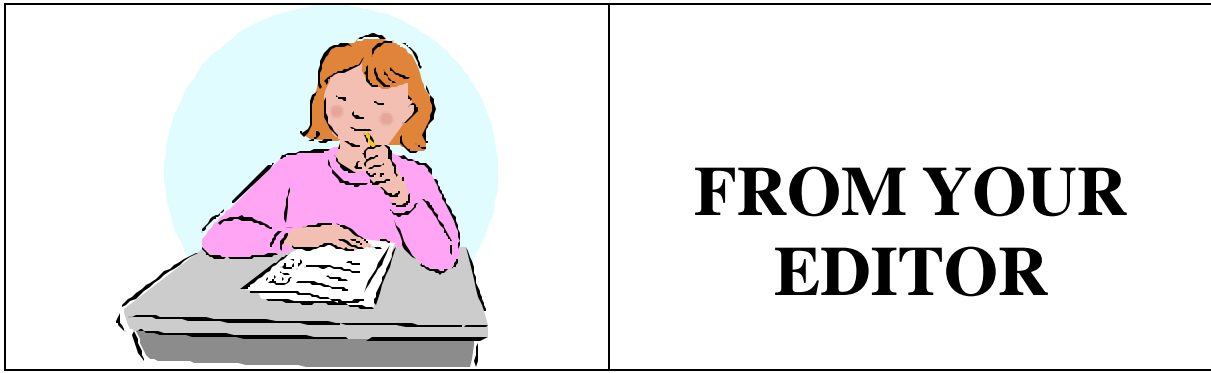

While the President is out; a reflection from the VP.

Well it's that time again to take the last drive with your Ford to the barn for it to hibernate for 6 months. The ignition turns off, keys jiggle in your hands and you stare at it one last time before you cover it. As you walk away you think to yourself... another year gone by and can't wait to drive it next spring. A few months go by and the only way to get close to your baby is to read about it more or you find yourself on Ebay scoping what's out there. To realize....my car's better than all these and I'm going to hug it when I uncover it! HA! HA!

So another year has gone by, the 30<sup>th</sup>, and our club has once again proved why we've been around for so long. If you had to guess it's because of YOU! ...the members. A club can't exist without them and whether you're new or old to it, we've been around for that long. The love of that mustang or Ford we drive has kept this relationship going and we will keep it going another 30 years and longer. It's been grand being a part of this club and the feeling it gives me. Every time I drive my mustang I either get a thumbs up or "Hey!.....NICE CAR!" What else is there, simple and soothing to the ears. That's all the recognition I need.

Well I hope everyone to stay safe and happy through the holiday seasons. There are a few get togethers coming up so we can stay in touch through the non cruising times. I hope we all watch for these and can still mingle a little. Until the November planning meeting take care and happy car thoughts!

Jeff Searing

**Hello from the Editor**

Well it's time to put the ponies away. How sad. Where did the summer go? For me, it gives me back my parking space in the garage, but it let's me know that winter is on it's way. I can't be too sad because even though it's fall/winter, there's still many ways to get together with fellow mustangers. So don't forget to check the calendar of event and I hope to see you all soon. Also don't forget to send in your 2010 Annual Dues!

**November planning meeting**

Please note that the November planning meeting will take place November 30<sup>th</sup> at the New Berlin Ale House. See Flier for time and directions.

**Car Show planning meeting**

Our annual car show planning meeting will be held on December 16<sup>th</sup> for those on the committee. Guidelines for the 2010 Car show will be set. As always, it's never too early to start solicit for raffle gifts and fish bowl items.
