The Feedbag ...what happened ...and what's happening.

10/27/12

Hi Ho Mustangers,

This will be a short cover letter as I am leaving tomorrow for the SEMA show. Having said that, I will not be at the October meeting, as well as the treasurer and club chairman. I do wish Vern Snyder good luck at the meeting, I know he will be just fine.

I would like to thank Dick and Sharon Doria for planning the Door Co. trip. This was one of the largest groups that has made the trip to date. There were 30 or so cars that went up. The weather was cool and windy but, sunny. Lunch on the way up as the Saturday night dinner were great as always. Sue and I made a short stop in Green Bay and we even put a dollar or two in our pockets thanks to the Indians. All in all a great trip.

The November meeting is the planning meeting for 2013. As last year it will be at The New Berlin Ale House. Food and drink will be a flat fee as last year. Please see the newsletter for an earlier start time and pricing.

I am happy to report that all members in good standing as of October 1st will receive a no cost 2013 membership renewal. The board felt that the club kitty could stand the hit and all members share in this equally. Please feel free to thank the current and past board members for the great handling of the club funds so we could do this. That is all for now, more next month.

Yours in Stangdom,

Tom

The Wisconsin Early Mustangers

From the Pres. (Retired, that is)

October 22, 2012

The annual Door County trip was a keeper. The weather was cooler, but, the color was wonderful. Most of all, the group was fantastic. We had an excellent drive up. Especially, with our now traditional stop at Suzie's Place in Lincoln, Wisconsin. That family style chicken dinner with the home made trimmings was great.

Once at the Best Western Maritime in Sturgeon Bay, we were treated like VIPs. Mary Fields and her crew made our 29 room check in look easy. Everybody seemed more than pleased at the clean, comfortable accommodations. Once again they provided hospitality Friday night in the meeting room. The snacks and beverages were well received.

This was the second or third largest trip ever. We have already booked our rooms for next year. Mary apologized that the rates will be \$105.00 per night next year. Tax included. That is about \$5 more than this year, per night. Considering alternate selections of similar caliber, it is a very good deal.

After careful scrutiny and discussion with our treasurer, I have decided to poll the board. I believe that we are strong enough financially to waive dues for the coming year. This will mean that all members of record as of October 1, 2012 will get a "free ride" next year.

Thanks to the board, officers and the members at large for making our club successful. Our fiscal responsibility is something the government might want to observe.

Tom Miller, Jeff & Joan Searing, Sharon and I will attend SEMA this year. I think Mike and Sue Quam will be there too. So don't miss us too much at the October 29th meeting.

We will look forward to seeing many of you at our "Pizza/Planning meeting on November 26th. That is usually a very nice time. We do a short run at a basic operating plan for the coming year. Then we fill up on some nice pizza for the duration.

As the year winds down, I'd like to thank our officers for an excellent job. The same goes for the board members. Of course, without the contributions and participation of our members at large, it wouldn't be possible. Keep up the good work everybody.

Sharon and I wish you all a Merry Christmas, a happy, healthy New Year and overall Happy Holidays. We definitely value our time with you.

"Keep on 'stangin'".

Dick Doria

October 29th Meeting Minutes

The October 29th meeting was called to order by Vice President Vern Snyder at 7 PM.

No new members were at the meeting this month.

The Doria's and Miller's were in Las Vegas at the SEMA show so there wasn't a treasure's report.

John Falkner read the September meeting minutes.

Old Business:

🐾 Car Shows:

👁️ Classic Thunderbird Show at Schmit Bros. Ford all makes car and truck show: Gary Fedder said there were about 200 cars on a cool and windy day.

👁️ Sister Bay car show: Glenn Furst said it was a cold and rainy day with only 3 cars showing up.

🐾 Door County OTR trip:

👁️ The weather was cool, but mostly sunny and we had another great dinner at the Nightingale.

👁️ Vern Snyder told of a sunny ride up, the great lunch at Susies Place in Lincoln, and a great start to the weekend. However, his blood sugar spiked to 710 and he wound up touring the Door County hospital rather than enjoying the back roads.

👁️ Jim Helsinger told of the fun lunch they had at CC Junction where a train delivers your lunch.

👁️ John Falkner relayed what a great job Mary Fields and Heidi Graf of the Best Western Maritime Inn did for us. Starting at about 5:00, they put on an appetizer buffet with cheeses, sausages, warm meat balls, hot queso with sausage dip & chips, beer, wine, soda, etc. They really go the extra mile for us, and it's all free to our group. As always, rooms were fresh and clean.

👁️ Bob Tice had a dead battery ...in his motel room door lock that had to be drilled out before they could get back into their room. The credit card type locks have a battery that needs to have enough power to unlock the door from the outside. Who'd have guessed?

Tom Miller and Dick Doria left town without supplying anything for the club raffle, so we made a spur of the moment decision, and Vern Snyder conducted a raffle for Dick's black '65 convertible. See the special page later in the newsletter.

New Business:

🐾 Jack Winter reaffirmed that we're at the New Berlin Ale House for our November Planning meeting starting at 6:30 for a short business meeting. See the flyer for details.

🐾 Jack Winter reminded everyone about the December Car Show Planning Meeting held at his house December 2nd at 6:30.

🐾 Vern Snyder announced that because of prudent spending, the board of directors has agreed to give everyone who was a WEM member as of 10/1/12, a free ride for their 2013 dues.

Vern moved to close the meeting, it was seconded from the floor, and unanimously agreed to. Due to the cold weather, even the custard run had a light turnout.

The WEM October meeting big RAFFLE WINNER!

Vice President Vern Snyder and other present board members shown congratulating John Netzler.

Because the interest in Mustangs, and the hobby in general, starts to wane at this time of year, the board members present at this month's meeting decided to spice things up a bit by volunteering to donate the car of a board member not present for the raffle. Since Dick Doria is the club founder, we felt it was only right to give him the opportunity to be the first to donate his car to the raffle as a way to encourage more club participation.

The lucky winner was John Netzler, and this was especially great since John and Doris **WERE** the only WEM members without a Mustang.
