

Hi Ho Mustangers,

10/30/11

Well I just finished up with the Trick or Treaters on one of the worst weather days to be out!! Poor little things. Well I am glad to say I have put the cars away for the year, the patio cleared, and the garage cleaned out so I can get my truck in and not have to leave it outside. This is one of the first years I will not have all that work to do when I get back from SEMA. After all I will be on a plane in less than 36 hours.

I am happy to say that the 30th Door Co. Trip is in the books and was a smash hit. I did make it up for lunch on Friday and had a great drive with sun and 72 degrees. The rest of the week end was just as nice and I heard that there were a lot of tops that were down all week end. The shirts were a big hit and I would like to say thanks to Dick and Sharon Doria for setting this run up for 30 years!!!!!!!!!!!!!!

The time is growing short until the club elections next month. I want to thank all candidates that are on the ballot and wish them all good luck. Please check over the news letter for all election up dates as we only do this every 4 years. The new board will be announced next month with the new board seated in January. The November meeting is the planning meeting at The New Berlin Ale House and those who wish to vote in person can do so. 4 years ago we had to have a run off for the V.P. Office so it is important to vote. Also at the november meeting we will be collecting Toys for Tots and yes we will take cash. The Camerons will take care of delivery to USMC for handing out. Please give if you can as the need is great in these times. That is all for now, more next month

Yours in Stangdom,

Tom

We want to thank all of you who joined us in making the 2011 30th Anniversary Door County Trip a success. The weather was absolutely beautiful, as were the cars. Not to mention the people. We picked up a few new people this year. And saw many that have joined us in the past. The general consensus, is that we are looking forward to the next one.

Needless to say, the Friday afternoon chicken dinner was great. No one left hungry. I can attest to that. The Maritime Inn provided us with the most delightful hospitality this year. They were even going table to table to make sure everyone was taking advantage. Much above and beyond the call of duty. Nice people. Our Saturday night dinner at the Nitengale always is nice. What a good group of people to enjoy supper with.

Sharon and I were fortunate enough to go down to North Carolina last weekend. We wanted to spend a little time with Jonathan. He is, for now, on a semi-regular assignment there. Camp Lejeune will be his home base, even if deployed. While there we drove him 240 miles to pick up his new "daily driver". It is a very nice '65 Fairlane two door hard top. My favorite color too, BLACK. It has a pretty straight body and interior. 50K original mileage, I believe. It is an original 289 automatic. Runs very nice.

We had a new Ford Fiesta for a rental car. When looking at the trunk of the Fairlane, we thought it might fit in the trunk on the way back.

Don't forget, if you are not making the planning meeting next month, VOTE by mail or e-mail. Your vote is an important part of keeping our club going.

If I don't pester you with another one of this before: Have a happy Thanksgiving, A Merry Christmas and a Happy, Healthy and Prosperous New Year.

"Keep on 'stangin'".

FROM THE EDITOR

It's Election Time!

It's a WEM election year. The nominees are in and election/votes will be held. When/Where????? At the November planning meeting. So come have some pizza, beer or soda and vote. If you can't make it, there's a ballot in this newsletter that you can send to the club headquarters....aka Dick and Sharon Doira-2511 Carrington Ave, Oak Creek WI. 53154. One ballot per household/membership. I'm excited about this election, 'cause I can hand the torch over to someone new. It's been fun being more active in the club, but I'm ready to step down and let someone else step in. I don't know how Bob Zimmerman did it all those years. God Bless him.

Don't forget to renew your membership. If we don't have your membership form by January 31st, newsletters will stop coming and your membership will not be valid.

It's sad to say that we've put our 66 asleep for the winter. I hate seeing it go, but love that I can now park in the garage. Cold mornings aren't so bad. I'll definitely be loving it when the snow comes and I don't have to scrape my car windows.

Try to stay warm, see you at November's Meeting!
